

### Spotlight on the Sunshine Room

The children in the Sunshine Room have been focusing on the book 'Chicken Licken'. We have been listening quietly to the story of Chicken Licken and enjoyed learning about all of the different animals he met whilst on his way to see the King.

As Spring is on the way our tuff trays have sprung to life. The children have been busy sorting Spring objects into different colours and we also saved some frozen chickens who were stuck in the ice. We had to work hard to melt the ice to release the chickens, it was very cold!

During messy play we loved making some different coloured shaving foam, we were very messy!

Well done for all your hard work Sunshine Room
