

### Spotlight on F2

This week in F2 we have been learning about growing and what farming looked like in the past. The children have been exploring with vegetables, plants and seeds and we have been writing sentences about them!

We also read the story 'egg drop' written by Mini Grey and it inspired us to do our own science experiment. We have been using different materials and methods to try and protect eggs from cracking when we drop them. F2 have loved being scientists, planning their methods and then testing them.

Coming up, we have our F2 Class Mass on Tuesday 17 March at 9.30am in Church and our come & share on Thursday 19<sup>th</sup> March 9.15am to 10.15am.

We hope to see you all there.

Whole School Attendance  
2nd to 6th March  
2026

**95%** 

#### What's on Next Week:

**Monday 16 March**  
Y4PN - Swimming all week

**Tuesday 17 March**  
F2 Class Mass - 9.30am in Church  
Parents welcome

**Wednesday 18 March**  
Y6AH/SE DT Workshop

**Thursday 19 March**  
F2 Come & Share 9.15am  
Year 2 DT Workshop

**Friday 20 March**  
Y6SH DT Workshop

## FREE SCIENCE FAIR

Hands-on experiments  
& live demonstrations

#### Event Details

Location: Mosslands School,  
Date: Saturday, 14 March  
Time: 10:00am - 2:00pm

#### What's On

- Interactive science activities
- Practical experiments
- Live demonstrations
- Fun, curiosity-led learning for children and families

#### Special

This event marks Mosslands School's finale to British Science Week.

- ✓ **Free Entry - Everyone Welcome**  
Perfect for: [www.virralglobe.co.uk](http://www.virralglobe.co.uk)

This year's theme:  
"Curiosity: What's Your Question?"  
- Where Questions Spark Futures"
