

Message from Mrs Murphy

As we come to the end of another term, I wanted to take a moment to say what a busy and positive few months it has been here at school.

The children have been working incredibly hard across all year groups, and we are so proud of their effort, enthusiasm, and the progress they are making. It has been lovely to see.

We are also really pleased that attendance continues to improve. Today, many children were rewarded for their excellent attendance—well done to everyone who received an award, and thank you for your support in making sure your children are in school every day and ready to learn.

It was great to see so many of you at Parents' Evening. These conversations are so important, and we really value the opportunity to work together to support your children.

The Easter bonnets and gardens have been brilliant today—there is so much creativity and effort on display, and we really appreciate all the hard work that went into them at home.

A special mention goes to Years 3 and 4 for their super Easter performance. They did a fantastic job and should be very proud of themselves.

We are now looking forward to the summer term and all the exciting learning ahead.

Thank you, as always, for working with us to help your children achieve and do well.

Wishing you all a happy and blessed Easter.
