

Spotlight on Year 1

As part of their RE learning, the children in Year 1 have been exploring the different features of a Catholic church. After learning about the important parts of a church in class, the children designed their own pictorial scavenger hunts to help them identify these features.

We were delighted to visit Our Lady's Church, where Father Michael warmly welcomed us and explained the significance of many of the special features found inside the church. The children then enthusiastically used their scavenger hunt sheets to spot and tick off everything they could find, bringing their classroom learning to life.

It was a wonderful opportunity for the children to deepen their understanding of their faith and experience a place of worship in a meaningful and interactive way.
