

Spotlight on F2

This week in F2, we have been exploring traditional tales, with a particular focus on The Three Little Pigs.

The children also enjoyed reading Blow Your Nose, Big Bad Wolf which tells the story from the wolf's perspective. They loved discovering that the wolf was the "goodie" in this version and have become very confident at retelling the story and discussing the different characters and events.

In RE, we have been learning about Saint Peter and his life as a fisherman. The children enjoyed making their own boats and investigating which materials float and which sink. They loved testing their predictions and exploring the properties of different materials through hands-on learning.

In Maths, we have been learning about sharing and grouping. The children have enjoyed using a variety of objects to practise sharing equally, including counters, toys, and even biscuits! It has been wonderful to see them developing their mathematical understanding through practical activities and discussion.

Holy Communion Mass

Congratulations to our Year 3 pupils who will make their Holy Communion this Saturday.

We hope you have a lovely day.

Smart Watch Reminder

Can we please remind parents and children that smart watches should not be worn in school due to safeguarding reasons. Smartwatches fall under the same category as mobile phones as they can be used for recordings, photographs, messages etc.

If a child brings in their smart watch it will need to be handed into the school office for safekeeping.

Vaccines help protect what matters most

- Illnesses like measles and whooping cough spread easily between children who are not vaccinated.
- Check your child's red book or speak to your GP surgery to see if they have missed any vaccines.

Check your child's vaccines are up to date
