Spotlight on Foundation 2

This week, F2 went on an Autumnal walk around Birkenhead Park. We found lots of Autumn items such as pine cones, different coloured leaves and maple seeds. We have been using these items in our classroom to make Autumn soup in the water tray, to talk about seasonal changes and for artwork. We also saw lots of squirrels and enjoyed saying hello to them! Thank you to the volunteers who came along so we could make this possible, the children were amazing and they have learnt so much! We have had some visitors this week and the children were so confident and able to talk all about their learning. We are so proud!
