Spotlight on Year 6

Year 6 have had a fantastic first half term! It has been a busy and exciting start to the year, with lots of wonderful learning experiences. We enjoyed taking part in the CELLs project in school, which was really informative, as well as our exciting trip to Eureka and our Come and Share event.

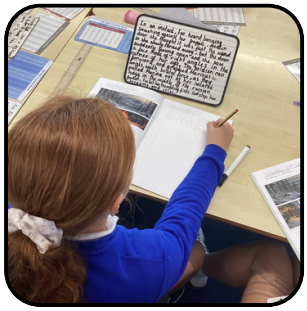

In English, the children particularly enjoyed their writing this half term and produced some fantastic setting descriptions, showing great creativity and imagination.

We are now looking ahead to the next half term, with the children busy preparing for Remembrance Day and Children in Need.
We are looking forward to another exciting half term full of learning, new experiences and opportunities!
