Spotlight on Year F2

This week in F2, we have continued our topic of celebrations! We have been exploring how different celebrations are marked and enjoyed, and have even been holding our own little parties to encourage the children to talk about the special occasions they celebrate with their families and friends.

We have also been getting creative by making Diya lamps to celebrate Diwali. The children made their own salt dough, learning how to measure and add ingredients, mix them together and knead the dough before moulding it into their very own special lamps. Once they are dry, we will be decorating them ready to take home and share with our families!

Important Notice

Last week we had a very serious near miss, where a child was almost hit by a car reversing from an area marked with yellow zigzag lines. This is a stark reminder of how dangerous inconsiderate parking and driving can be around our school.

We ask that you ...
1) Never park or stop on the yellow zigzag markings.

2) Take extra care when manoeuvring.

3) Park considerately and ensure pavements remain safe and accessible for pedestrians.

4) Never block residents' driveways along Old Bidston Road.

5) Always keep the entrance to Air Sea Containers clear.
