Outdoor Fun

The week I've been struck by the outdoor learning opportunities that the children have had. Year 5 were this week's Forest School class and had a great time learning how to build and tend to the fire and then cooking bird food on it. They also had to create shelters using tarps and then, independently, used these skills to make their own swings in the forest! Y3 have been out today at Martin Mere immersing themselves in a Stone Age village and learning what life was like then in a practical way. EYFS have been thinking about the animals that live in our forest and, with the help of Mr Rooke, have made some amazing hedgehog homes. Finally Y2 have been out at lunchtime doing team challenges. It has been lovely seeing them work together, supporting each other and celebrating their successes. Thank you to all the staff involved and Mr Rooke for bringing the curriculum alive in such an interesting and exciting way. Have a great weekend and see you all on Monday.

AFTER SCHOOL FAMILY ART CLUB @ST MICHAEL'S
