Make
sure you know
who you are talking
to in your online community

Online Community

Your
online
community should be
supportive and kind to you

Perfect passwords checklist

My passwords:

- ☐ use letters and numbers
 - ☐ use a minimum of 8 characters
 - ☐ don't contain any personal information
 - ☐ use characters like brackets, &, or %
 - ☐ use a mixture of capitals and lower case letters
 - ☐ use a sentence or a line from a song instead of just one word
 - ☐ only use the first letters of that sentence
 - ☐ use different languages
 - ☐ will be easy for me to remember
-
- ☐ I have different passwords for my online accounts
 - ☐ I will change my passwords again within the next 6 months

Never give your
password out, even to
your friend

Make sure you create a
strong password which
can't be guessed easily
