Class 2 had fun at the library

Class 2 had an interesting morning at Carnforth Library on Tuesday. They listened to stories, read books and learnt about the STEM club run by the library. Everyone was amazing and so polite.

They then took part in a Geography walk back to school, looking at all the street furniture in town.

We have been learning to play golf

Classes 2, 3 and 4 have all had golf lessons this week - so added to the bowls lessons we should all be set up for our retirements. Everyone learnt how to putt and chip towards a target. It was great fun and required a lot of concentration and skill.

We want to remind you that we have sent out our annual homework project for Black History Month. Mr Pugh has sent it out again this week, via email. **Please join us on Friday 24th October for our Black History Parent's afternoon.**

Gardening activities around school

Class 3 did a grand job of tidying up the raised beds and the pond this Monday, assisted by Mrs Taylor and lots of volunteers. They planted bulbs, ready for the spring and prepared the raised beds for planting. Well done to Class 3 and thanks to everyone who helped out.

A visit from the vicar

Class 3 were visited by Rev. Alice Ormondroyd, from St Oswald's Church this week as part of their RE work on people who lead and role models. Alice told them all about how she became a vicar and what is involved in her job. In RE lessons they had written adverts for a new vicar, which they read to Alice and asked her lots of questions. It was an interesting visit and we thank Alice for her time.

MacMillan's Coffee Morning

We held our coffee morning this morning in school. It was really well attended and a lot of cake was eaten. Thanks to everyone who came and special thanks to everyone who made and donated cakes.

Girl's Football Second Place

We went to Carnforth High and we played a blinder. Our girl's football team took on four other schools in a mini tournament on Wednesday and we were good enough to come second overall. Mrs Spencer reports that every player was amazing and our goalie Scarlett played incredibly well, blocking some tricky shots. We are all delighted with the second place and the silver medals. Well done!
