Warton Pollinators Trail

The Warton Eco-Gang have set up a pollinator trail around the village and are holding a special day this Saturday. This week we have sent home a special pack of seeds for every child to scatter and encourage polinators in our gardens.

Rocks for the Roods

Class 2 and Class 4 have been busy this week, decorating rocks which will be placed around the play area on The Roods. They really enjoyed being creative, drawing nature themed pictures.

Year Six Farewell Play

Year Six performed their end of year play on Thursday. *Gigglebox* is a funny musical based on Gogglebox. They put on two shows, one in the morning for the children and staff and one in the evening for parents and family. Everyone worked incredibly hard, learning their lines, songs and moves. The hard work really paid off and the show was a sensation. Well done Year Six. It was a great start to your last week in school.
