Stay and Play Afternoons

We will soon be launching our new Stay and Play afternoon sessions for parents, carers and their pre-school age children. The sessions start next week, on **Friday 25th of September at 1:30**. Everyone is welcome to come along, enjoy a brew and a chat, take part in some fun craft activities and even make some new friends in the process. Don't forget to tell anyone who you think may want to come along.

Our New School Council

Our new school council have been elected by the children. They will represent their classmates and the school at meetings and events across the year.

Thanks to everyone who contributed to our Harvest celebration and collection for Morecambe Bay Foodbank this week. We have spent our assembly time learning about our food and where it comes from. We have been giving thanks for our food. It has been interesting to learn how many people are involved in getting food to our tables.

Macmillan Coffee Morning

Let's get together for good

We had a great time last year at our Macmillan Coffee Morning, enjoying some delicious cakes, a brew and a good chat. We are holding this year's event on **Friday 2nd October at 10 am**. Everyone is welcome and we'd really appreciate some cakes.

Brilliant Bowls

This week, the children were given the chance to practice their green bowling skills at Warton Bowls Club. This followed on from their training last year and many of them remembered their skills and were on target.

My History - Home Learning

The last week of the 1st Half Term is always a special History Week in school. This year the lessons in school on that week will focus on the theme of Hidden History. We would like the children to do some home learning and create a project based on the theme of MY HISTORY.

History is all around us. It is found in our families, our homes, our village, our school and the stories that have been passed down through generations. This project is a wonderful opportunity for children to discover more about their own personal history and the people and places that have helped shape their lives.

A letter has come home with children today and has been emailed out to parents, with a full explanation of the project and ideas for how children can present their work. When the projects are complete, we will hold a special My History Exhibition on Friday October 23rd. Parents can come to school in the afternoon to see the exhibition and take part in a history lesson in class.
