Problem Solving Event

Six members of Class 4 had an interesting afternoon out at Lancaster and Morecambe College this week. They worked to solve problems and play games during an afternoon based around teamwork and fun.

Theatre Visitors

Classes 3 and 4 were treated to a play on Tuesday, presented by theatre group Dens and Signals. The play, Animals, covered animal habitats and the dangers animals face from the environment and humans.

Healthy Eating Masterchefs

Class 2 rounded off their DT and Science looking at healthy foods by making delicious wraps and pittas. Good work Class 2! Class 3 finished off their cookery DT project - making savoury tarts.

Amazing History Week

We have had an excellent week of learning as part of our Black History Month project. We have learnt about so many famous and not so famous people in our lessons and assemblies. See the next page and instagram for great examples of our home learning and class learning.

OUR HISTORY

The last week of the 1st Half Term is always a special History Week in school.

History is all around us. It is found in our families, our homes, our village, our school and the stories that have been passed down through generations. This project is a wonderful opportunity for children to discover more about their own personal history and the people and places that have helped shape their lives.

We asked like the children to do some home learning and create a project based on the theme of MY HISTORY.
