

**10TH OCTOBER
2025**

Message from Headteacher

Wobbly Welcomers

Our new Wobbly Welcomers team is doing a fantastic job of welcoming pupils into school. The job of the Wobbly Welcomers is to support any children who feel anxious or wobbly at the school gate. The selection process for the team was rigorous and I thank Rose, Alice, Sophie, Norah, India-Grey, Layla-Rose, Mylo, Polly, Sophia and Magdalena for their very impressive job application forms.

Over coming weeks, the team will be covering both gates in the mornings so they are ready to help everyone with a smile, welcome and helping hand.

Miss McDonald will be recruiting more Happiness Heroes over coming weeks and we will also be advertising for our Friendship Force before Christmas.

Parent Talk

If you have any concerns about your child's behaviour and presentation at home, I urge you to sign up for the Parent Talk sessions. Locally, services are increasingly asking what families have engaged with before accepting referrals for support with challenging behaviours. This is likely to be a trend which will continue and increase over time.

As a school, we help where we can in various ways. We offer checklists and reward charts to help to manage and support behaviour at home. However, we are limited about what we can change. Parent Talk offers a non-judgemental, non-threatening way for parents and carers to discuss challenges and consider solutions.

The first session takes place on . You can sign up by contacting the School Office.

Parents' Evenings

Just a reminder that we have Parents' Evenings during the week beginning 20th October. I look forward to welcoming families into school to discuss your child's progress and how they have settled in since September.

Message from Headteacher

Parent/Carer Questionnaire

Thanks to all of the families who completed the parent/carers questionnaire. I am in the process of compiling a summary of results to be shared with school governors. Headlines will be shared with families in a forthcoming newsletter.

Whats App Groups

I wrote to families this week to ask that any issues or concerns are discussed directly with us in school. We are always happy to help and strive to resolve any problems as quickly as possible for everyone's benefit. Thank you for your cooperation with this.

Parking around the school site

Parking around the school site is being closely monitored and we have seen a dramatic increase in parking enforcement officers around school. I have been informed that this will continue and that there are rotas in place to ensure that there are regular visits to our area

Our friends at All Saints' Church are holding a Halloween party with a difference on the evening of Saturday 1st November. The party is absolutely free of charge for children between ages 4-11 and you can reserve your child's place by scanning the QR code above.

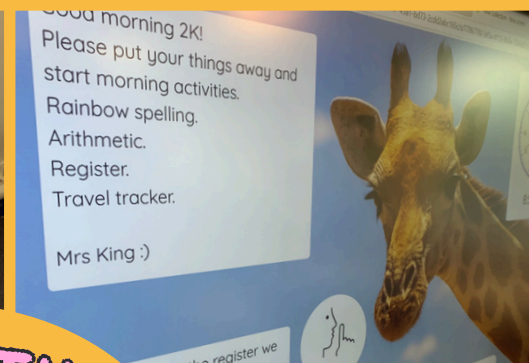

World Mental Health Day

It's World Mental Health Day today! Did you know that there is a wealth of information to help you support your child's mental health on our school website?

From meditation to mindfulness, to yoga videos we've got you covered! Take a look -

www.hooleceprimary.co.uk/page/wellbeing/75023

A DAY IN THE *Life* of Year 2

We listened to our families at our recent Meet the Teacher event and we received lots of requests from families who wanted to know what a day in the life was like for their child in their new year group!

From the moment they come through the door, it's a busy one! There is always a fun packed day of learning here at Hoole. Over the coming weeks, you will get an insight into the structure of the day and how that develops from Reception all the way up to Year 6. Don't forget it won't just be the indoor classroom that you will see but our enormous school grounds, forest school and MUGA pitch to name a few - we really do take our learning everywhere!

Year 2 started off the journey last week and they have been very busy bees!

Once the children have hung up their coats and bags and been registered, they start their spelling lessons. After that, they practise some arithmetic and then split off in to their guided reading groups. They are currently enjoying *The Dragon King's Daughter* by Charlotte Raby.

They have been practising hard with their counting and making long number chains using their white boards, with chalk on the playground and in writing in their books!

They have been exploring the habitats of mini-beasts in the forest. They also participated in a SCARF workshop, learning all about our brains and how they work and grow.

Harvest

A woman with long brown hair, wearing an orange patterned top, stands in a field of golden wheat. She is holding a large box decorated with a pattern of orange pumpkins. The box has a label that reads "Harvest COLLECTION FOR CHESTER FOODBANK" and lists items they welcome donations of.

IT'S
HARVEST TIME!

*And we are collecting for
Chester Foodbank*

WE WELCOME DONATIONS OF:

UHT Juice	Instant coffee
Custard	Cuppa soups
Tinned vegetables	Instant noodles
Jams and spreads	Instant pasta and sauce
Tinned meats	Tinned fruit
Tinned fish	Biscuits
	Cereal

A collage of black and white photographs showing children in school uniforms participating in a school election. In the center, a girl smiles above a blue ballot box labeled "Vote Here" with a cartoon character. To the right, a boy is at a polling station with a sign that says "POLLING STATION Cast your notes here". Other photos show children at desks with "ELECTION DAY" signs, some handing in ballots.

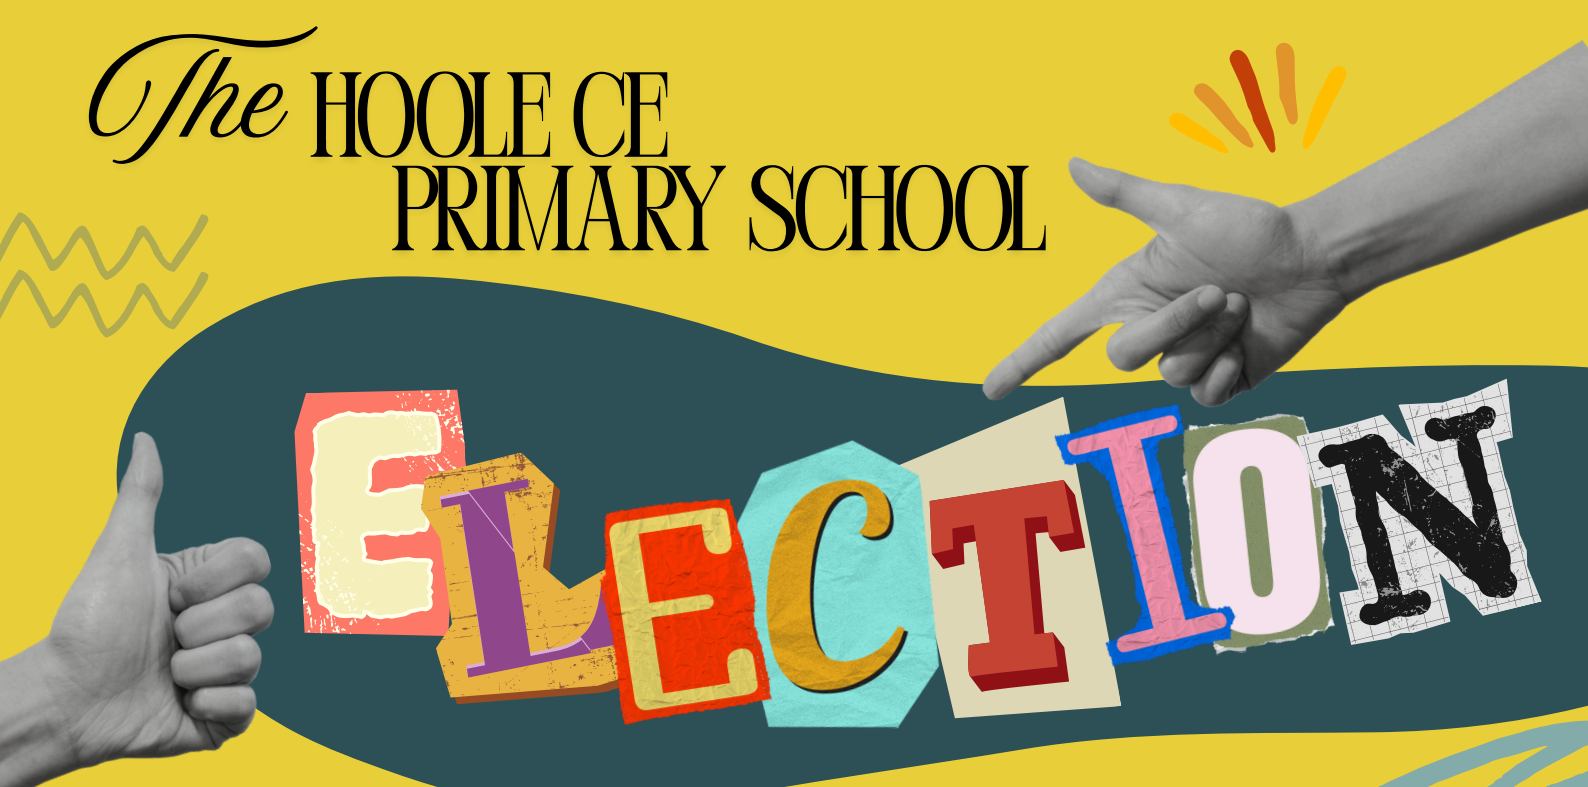

POLLING STATION

The HOOLE CE PRIMARY SCHOOL

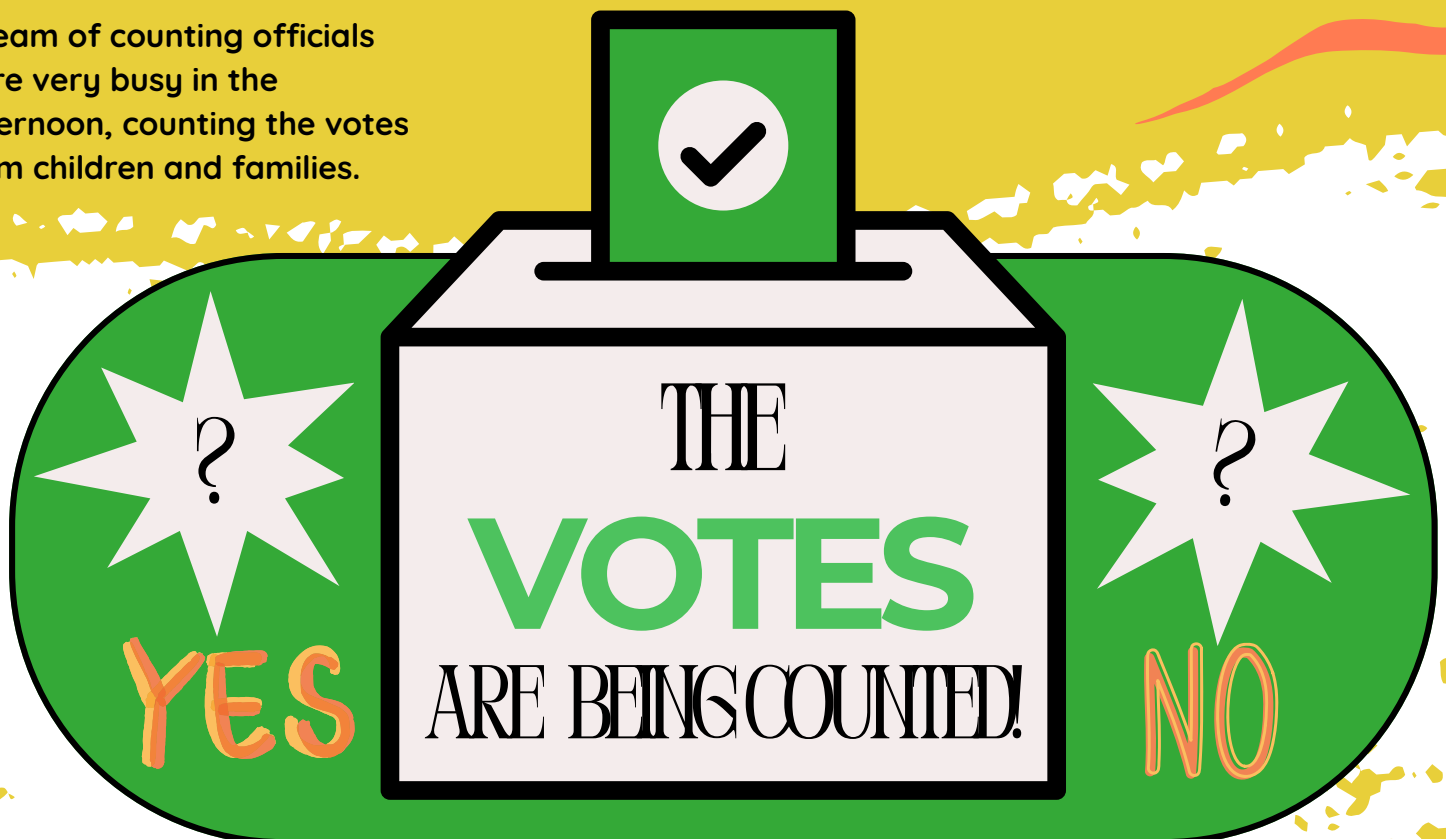

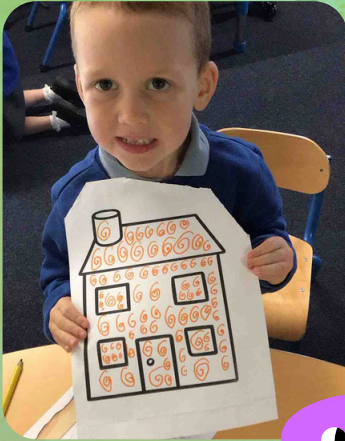

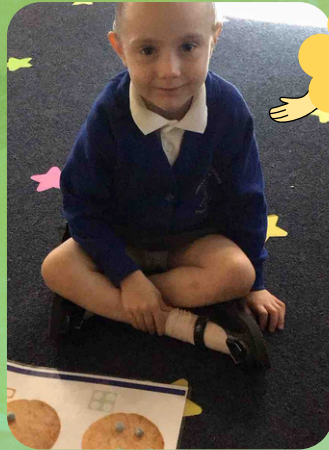

ELECTION

As part of our commitment to educating children about democracy and British values, our children took part in their very own election yesterday. All pupils from Year 1 to Year 6 plus all parents and carers had the opportunity to vote on whether families should be able to collect children from their classrooms at home time, rather than the school gate.

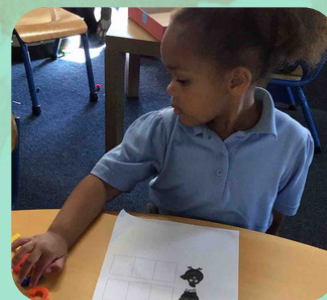

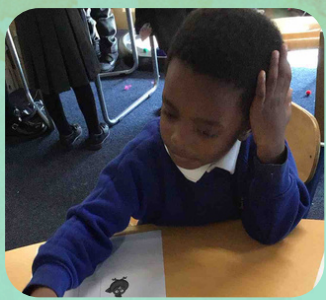

With a polling station set up in school, pupils were given the opportunity to experience the democratic process in action, casting their votes on their ballot papers in confidence and posting them into a sealed ballot box. Our House of Hoole representatives took the roles of Election Officers, ensuring that the process was fair and that the ballot box was kept secure at all times.

A team of counting officials were very busy in the afternoon, counting the votes from children and families.

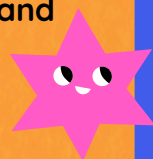

RECEPTION FIRST FEW WEEKS

Our incredible Reception teams have had a wonderful first few weeks settling into school!

We have been exploring all the new areas of our classroom and having lots of fun in PE, practising balancing and handling a ball. In Phonics, we have been learning new sounds, forming letters, and practising our pre-writing patterns by working on our pencil grip and mark-making outside with chalks.

In Maths, we have been accurately counting chocolate chips!

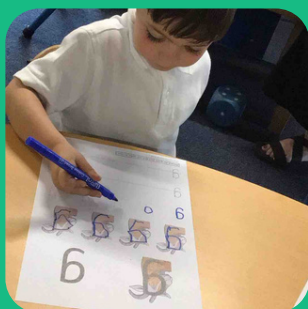

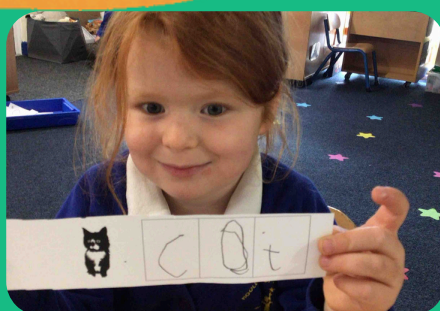

In Art we have been painting and experimenting with mixing colours to make new ones.

In PSHE, we have been learning about our brains and practising our happy breathing.

We have been talking about our houses and who lives in them and sharing about our families.

We have been flexing our fingers to build up our finger strength at the fiddly fingers table.

We have building towers and dressing up and using our imaginations in roleplaying games.

Hoole Bank in Action

Our team of school bank managers were recruited via a rigorous application process! This team of dedicated children apply their leadership, organisational and Maths skills every week running our Hoole School Bank which opens it's door every Thursday morning.

The Bank Manager set up the bank and serve children and their parents/carers when they come to pay into their bank accounts. When the bank closes, pupils then reconcile payments and organise the transfer of the funds to the West Cheshire Credit Union, who are our partners in running our bank.

The team are doing a marvellous job supporting us in growing our bank. If your child would like to open a bank account, pop into the School office for an Application form!

School Photographs

The School Photographer (Tempest) will be in school, Thursday 20th November, to take professional individual photographs of the children. The photographs will be available for parents/carers to order online over the following weeks.

If you have multiple children in school and would like a sibling photograph, please email admin@hooleceprimary.cheshire.sch.uk to request this. Please ensure you include the full names of all your children in your request.

On the day, please ensure that your child is wearing full uniform, including school jumper or cardigan. If your child has Forest School or PE, please send their kit in a bag to change into.

A Musical Treat

On Monday morning, we had a real treat in our whole school worship. One of our school family parents, Kath Lacey, plays Principal Clarinet with the Royal Philharmonic Orchestra. Not only did she talk to the children about her work, where she plays and what she does, but she played several pieces of music for the children. We were absolutely mesmerized!

Kath has been leading our Year 4 recorder club over the last few months - you may have seen them perform in our recent Autumn Fair.

Over the coming weeks, we are exploring running a clarinet club in the New Year for any children who are Year 4, 5 or 6 and would like to be part of it. Whilst as a school, we are not able to supply clarinets, Kath is happy to advise where you can source them for purchase or hire. If your child is in Year 4 or above, watch out for an email over the coming days so that we can understand the level of interest. At this point, we are exploring this, so please do not rush out and buy a clarinet!

Year 6 High School Applications

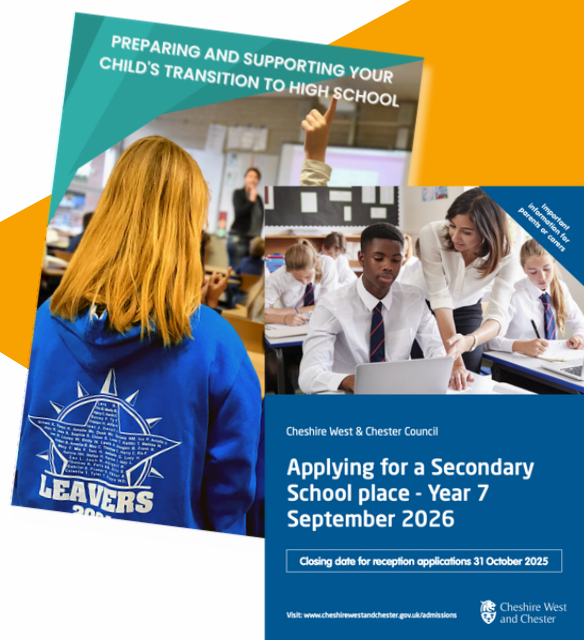

We are at the time of year when Year 6 children need to be applying for High School. The application process has opened and will close on 31st October 2025. To apply for a High School place, please visit

www.cheshirewestandchester.gov.uk/admissions

There are guides to applying for High School and lots of helpful videos to support you and your child to manage this upcoming period of change on the Year 6 class page on the school website,

www.hooleceprimary.co.uk/class/year-6

If you need any assistance in applying for high school, please contact the School Office.

SPORTS NEWS

TOUCH RUGBY TOURNAMENT

9 of our Year 6s played in a Touch Rugby Megafest this week at Chester Rugby Club. The children played a total of 6 matches against other Chester schools.

The tournament was fast-paced and the team did well, developing not only their individual skills but their team work as the games progressed. Several of our team also scored tries, including 2 in one match for Matthew P.

Ambitions and Aspirations

"When I'm older, I would like
be a Spiderman Policeman
so I can catch criminals."
Cole, Reception

"I would like to be a
doctor, a vet, a nurse, a
teacher or a pumpkin
picker when I grow up."
Isla, Reception

Worship

This week's class based worship was all about **Ellie Goldstein** - the first contestant with Down's Syndrome to take part in a full series of Strictly Come Dancing. She is also the first ever model with Down's Syndrome to appear on the cover of the fashion magazine, British Vogue.

Children discussed the protected characteristic of disability and that having a disability should not mean that people should miss out on opportunities or be treated unfairly because of a disability. We also talked about how, as a school, we can help include all children in lessons.

Our Bible verses came from **Romans 12:4-6**

For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us.

Questions you might ask your child

- How are we all unique? Is it good that we are different?
- What can you learn about a person just by looking at them? What can't you learn?
- Does being fair mean treating everyone the same?
- Why is it important to listen to people instead of guessing about them?

**CHRISTMAS
SERVICES**

Hooole Choir

in the Community

Every fortnight, Miss Carter takes a selection of soulful Year 3 pupils to Grosvenor Villas Care Home for a jolly sing along with the residents!

We enjoyed an intergenerational music session with Amanda from Live the Beat. The children were excellent when getting involved with the songs, dances and games with their new older friends.

The week before we were thrilled to watch a wonderful short production from Goofus Theatre Company.

Goofus are a local touring theatre company that create original pieces with mask, puppetry, clowning, play and music.

The majority of Goofus work is non-verbal and aimed at audiences where theatre isn't easily accessed for various reasons. We adored meeting the cast and puppets after the show. The children asked many questions about the performance and the puppets which is lovely to see. They shared the puppets with our older friends and showed them how they worked.

Friday Assembly

Parents and carers are invited to Friday Assembly when their child's class is presenting. Please arrive at 2.25pm for a 2.30pm start. If you are able to join us, please refrain from parking in the visitors car park as the gates will close during the assembly.

21st November	Team 1J
28th November	Team 6M

Meet our Ethos Team

The aims of our school are clear. We want pupils to leave us well equipped to navigate the challenges of secondary school and future life.

We offer an array of opportunities for children to develop character and build their personal skills. We give children the opportunity to unpack the meaning of our values and think through what they look like when lived out in school and beyond. We strive to ensure that children have opportunities to explore a variety of faiths, beliefs and world views, in addition to Christianity. We value the religious background of all members of the school community and we encourage children to share their own experiences, beliefs and values freely.

The Ethos Team work with Mrs Inns to extend, develop and support the ethos of our school in order to embed our values and ensure that our environment reflects the Christian nature of the school. Our Ethos Team for 2025-2026 are Harper, Demir, Amy, Lily, Seren, Harvey, Eva, Pepe, Alex, Elsie, Olivia E, Olivia L-H, Miles, Isla, Esmay, Eleanor, Magdalena, Eva, Polly, Amy-Lou and Albert!

ETHOS

As part of our commitment to continuously working to improve provision at our school, we recently opened a survey for parents and carers to share their feedback and views to support us in our strategic planning and evaluation process.

We were overwhelmed by the kind comments of support we received. Our school vision 'Let your light shine' is lived out every day. We are so proud of the feedback we receive from our school family and visitors to our school. Thank you all so much.

our survey says

My child is enjoying school and is supported and encouraged well by her teacher.

Always recommend the school based on the pastoral care of the children

My child loves school and only has positive things to say about it, there are lots of opportunities for children to develop and challenge themselves which makes school an exciting place to be.

Fantastic school would highly recommend to family and friend

"We are very happy with the School."

Thank you to the entire school team in shaping my child a better human by guiding her in all means.

I love how the school is so supportive not just of the children but also the parents. Also how they celebrate the children's achievements and accomplishments. Very happy.

Excellent school and teaching staff

both our children are so happy here. Staff and teachers amazing - huge thank you to you all!

We are very happy with how our daughter is doing at Hoole Primary.

"I cannot thank all the staff at Hoole C of E for the love care and commitment they show to the pupils."

The school provides a nurturing environment where our child feels valued and motivated.

We are so impressed with the school, all staff are very friendly and pastoral. Great communication across the board. Leadership is excellent.

The school is fantastic. Support the children and motivate them to let their light shine.

Very good School and the teachers are very nice people

We are happy and satisfied with how the school is being managed.

very happy with how our daughter is getting on in the school.

Excellent school and teaching staff

Best choice of school for my two kids!

"It's a great school and a credit to Mrs Flanders and all the teachers and support staff."

All staff in the school are amazing but that stems from the strong leadership in the school. The extra curricular activities that are available is fantastic.

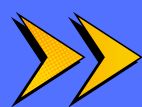

"We feel it is a warm and safe space with amazing staff."

I am really happy with Hoole Primary

most supportive and encouraging environment. She has always been treated as an individual. The school is fantastic, thank you.

This a loving and caring school where every member of staff wants the best for my child. They care about making them 'a good person' as well as pushing them to achieve academically. Thank you for it your hard work.

I feel that the school supports my daughters needs and the family feel makes it a positive environment for her to learn and spend time with friends.

Parents' Evenings

Our Autumn Term Parent's Evenings will take place before we break up for half-term.

Parents' Evening slots can be booked through our website, www.hooleceprimary.co.uk or the School Spider App.

Parents and Carers will need to login to the school website or the app to be able to book a slot. If you have forgotten your login details, please click on the "forgotten password" link to reset it.

The slots are available on a first come first served basis. We emailed step-by-step instructions of how to book a slot to all parents and carers in September.

If you would prefer a telephone consultation at the time you have booked, please make contact with the School Office via email to admin@hooleceprimary.cheshire.sch.uk, so we can check contact details and update records where needed. Unless we hear from families, we will assume that parents or carers are attending in person.

Please note that there are no clubs during Parents' Evening week, with the exception of Year 1-6 Streetdance Club.

Year group	Class teacher	Date of Parents' Evenings

Support in School

We want everyone involved with our school to feel well supported. We believe that good pastoral support focuses on nurturing the individual needs of each child. We aim to build trusting and empathic relationships with all our pupils and their families.

Miss Taylor, our Emotional Literacy Support Assistant (ELSA), is trained to support children to develop skills to manage their feelings and emotional responses positively.

Our dedicated Attendance and Punctuality Officer is Ms Williamson. Ms Williamson brings a breadth of experience to this role as she has extensive experience as an Educational Welfare Officer in several local authorities, including in Cheshire West & Chester.

Ms Williamson is always available to offer support and guidance for families regarding attendance and punctuality related issues. Her focus is to work with families before issues arise and she is able to offer practical support and advice to ensure that children maintain positive records of attendance.
