

## Message from Headteacher

### Summer Fair

As I write, we are looking forward to our annual Summer Fair on Friday. Thanks so much for the Parent Teacher Association for their meticulous planning and also to volunteers and staff who have committed to giving their time to support for this event. We hope that this will be a great success. Every penny raised will be used to enrich opportunities and resources at our school for our pupils. Fingers crossed for fine weather!

### More Awards!

We are delighted to have retained our Platinum School Sports Award. This is a fantastic achievement which highlights the array of sports opportunities accessed by pupils of all ages and abilities at our school.

We have also now attained the Silver level of the national Rail Safe award. We are not stopping there and are now working towards our Gold award!

We recognise our role in ensuring that children are equipped to be safe and responsible citizens in the community. Our attainment of the Rail Safe awards, in recognition of our work to equip children to understand the dangers of railway lines, is a good example.

In addition, Year five pupils visited the Safety Central Centre in Lymm, near Warrington on Wednesday. Safety Central is a realistic indoor village which boasts world-class special effects and the latest technology to simulate a range of hazards and risks. Rangers led the children through four themed zones and set exciting challenges and activities to encourage learning and prevention of hazards.

Pupils learnt all about preventing fires, being safe on the roads, near trains and around water, as well as issues such as healthy living, anti-social behaviour and online safety.

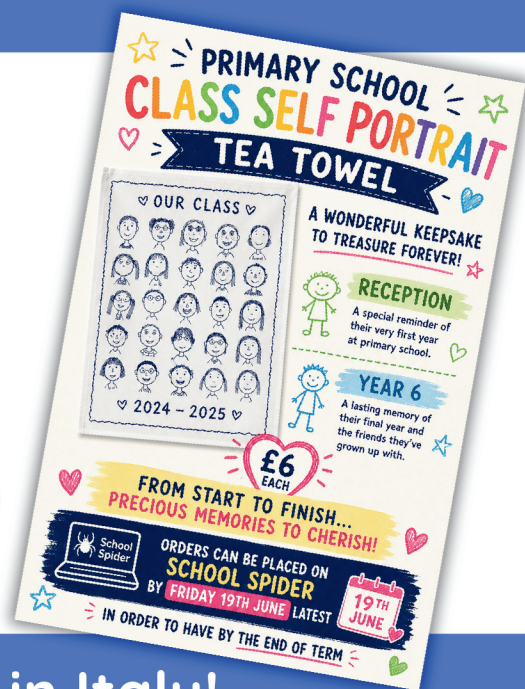

It was wonderful to receive more positive reports about our pupils' behaviour and engagement during this trip!

# PTA News

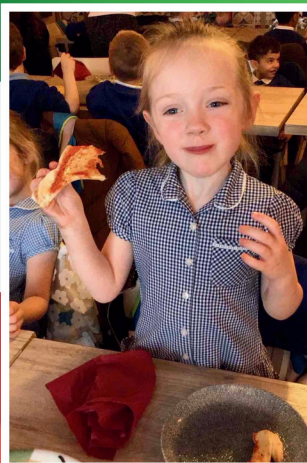

Our PTA are organising special commemorative tea towels featuring self-portraits drawn by our reception and year 6 children, to celebrate their first and last years of primary school.

If you would like to place an order, please do so on School Spider (via the Bookings and Payments tab) **by Friday 19th July.**

**Please note that this is a strict order deadline** as they have to send the orders to print, so we cannot accept any further order after this date.

## RW Take Over Made in Italy!

Team RW took over local restaurant, Made In Italy earlier this week!

Our star chefs, learnt how to make pizza dough, before creating their own delicious masterpieces. The children behaved beautifully and enthusiastically devoured their creations!

# COLOUR RUN RETURNS!

**FROM 3.40 ONWARDS  
TUESDAY 21ST JULY 2026**

After last year's successful event, we are very excited to announce we will be holding another Colour Run, which will be held after school on Tuesday 21st July!

If you are not aware of colour runs, they are a fun run (or walk) where participants are doused with different coloured vibrant powders at various points along a course. The colourful powders are made from corn starch. The event is designed to be exciting and inclusive, with an emphasis on a fun memorable experience rather than speed.

If you would like to take part, the charge for each participant (adult or child) is £6.50. Every bit of money raised will be reinvested in our school.

For safety reasons, a parent or carer must run with their child.

The maximum ratio for children running with an adult is 1 adult to 4 children. The £6.50 charge will include a drink and snack for each participant.

- All participants must wear some sort of eye protection such as sunglasses or goggles to avoid the coloured powder getting into eyes.
- All participants should wear a plain white or very light coloured t-shirt and others clothes/shoes you don't mind getting paint on and are suitable for running in.
- Family members that are participating should collect their children after school as normal and then make their way to the school field where they will be registered.
- **All participants must complete the waiver & payment on the School Spider app, by Friday 3rd July.** If we do not receive your waiver by the deadline, you will not be able to participate.
- Please bring the clothes to participate in with you after school and a carrier bag to pop your stained clothes into change into after the run.
- There is an option to buy small extra pouches of powder (100g) to create your own colour cloud to throw for personal photographs, at the end of the course. Your order can be made on the School Spider app.

This week, Year Two ventured out through the streets of Chester for our local history study field trip. We hunted around for buildings designed by a historic local architect, John Douglas.

John Douglas was born in Sandiway, near to Chester, in 1830 and he died in 1911. He worked as an architect in Abbey Square, Chester, for 50 years. We found many buildings along with Billy Hobby's Well near to the river.

The children were excellent throughout the trip and were a credit to our school. Various members of the public commented on their friendliness, enthusiasm and polite manners.

Thankfully, we made it back in time before the rain!

# YEAR 2'S WALK TO CHESTER!

Year 5 recently enjoyed a visit to Safety Central in Lymm, where they took part in a range of interactive activities designed to help them stay safe in everyday situations.

The children learned important safety messages about travelling through train stations, staying safe at home, being aware of dangers near water, and understanding the risks associated with electrical substations.

The visit was both informative and engaging, and the children represented the school brilliantly throughout the day.

We would also like to extend a sincere thank you to everyone who supported our recent cake sale. The proceeds helped to reduce the cost of the coach for this trip, and your generosity is greatly appreciated.

# School Bank

Last week we were invited to talk to schools all over the country about our school bank.

Four of our bankers - Taher, Hettie, Evelyn and Isla spoke with teachers in schools as far afield as Harrogate and Plymouth about our school bank and how this helps teach children the importance of saving money and that saving just a little and often soon mounts up.

The staff at the other schools were really impressed with how they spoke and we are really proud of them.

If anyone is interested in opening a Junior Savings account for your child, please pop into the school office and pick up an application form.

## Class Photographs

The School Photographer (Tempest) will be in school on Friday 3rd July, to take professional class photographs of the children.

A letter containing the class photograph image will be sent to parents after the event, with instructions of how to order a copy online. No pupil names will be attached to the image.

If you do not want your child to take part in the class photograph, please contact us via email to [admin@hooleceprimary.cheshire.sch.uk](mailto:admin@hooleceprimary.cheshire.sch.uk) by Friday 26th June. If you are happy for your child to be included in the class photograph, you do not need to do anything.

The image will not be shared any further by school. School cannot be held responsible for parents sharing the image further, however we encourage parents not to share images containing other children on social media platforms.

On the day, please ensure that your child is wearing full uniform, including school jumper/Year 6 Leavers Hoodie or cardigan. If your child has PE on that day, please send their kit in a bag.

As **Year 2** are on their school trip on 3<sup>rd</sup> July, Tempest will return on the morning of Monday 6<sup>th</sup> July to take their class photographs. Again, please send children in their full uniforms on the day.

# YEAR 5 BIKEABILITY

Our Year 5 pupils have been finishing off their Bikeability awards this week, some in the pouring rain!

We are so proud to report that we had a 100% level 2 pass rate this year! Our Year 5's have done incredibly well and persevered despite the poor weather.

They now possess the cycling skills for navigating modern roads safely and a greater ability to judge risks whilst on their bikes.

Well done Year 5!
