### **Year 2 Sleepover**

Last Friday, our Year two children enjoyed their action-packed day at Park Hall Farm and then a sleepover in school. They returned from the trip full of stories about their adventures at Park Hall, dined on pizza, put on their finery for the disco and then finally settled down for the night. The children were a pleasure to spend time with. They engaged in every activity with enthusiasm and were a joy to be with.

### **Year 6 performances**

Thanks to everyone who joined is this week for the Year 6 production of 'Gross Busters.' Every child sang their hearts out and performed brilliantly. It made me think about how much we are going to miss this Year 6 cohort as they are so dedicated, hard-working and talented in so many different ways.

### **Annual School Reports**

You will receive your child's annual school report next week. I hope that you will enjoy reading this and celebrating your child's achievements with them.

Your child will also bring home the following documents to supplement their annual report:

- Attendance information for this school year
- Your child's written evaluation of their year
- Pupil and Parent Feedback Form - this is used to respond to your child's school report.

Due to the delay to the Year six SATs results, assessment information for Year six pupils will be sent after Thursday 16<sup>th</sup> July, when results are due to be released to schools.

Please return your report feedback form by Tuesday 21st July. Any feedback provided will be shared with relevant staff and used to inform future action.

A copy of the report feedback form will also be put into your child's personal Shine folder. The Shine folder is a record of your child's achievements during their time with us. When Year six children leave, pupils take their Shine folders home as a memento of their time with us. This year, all returned feedback forms will also be entered into a prize draw. The winning feedback form will be drawn on Tuesday 21st July.

Parents/carers have the opportunity to meet informally with your child's class teacher to discuss their results and progress on 15th July (RW is on 16th July) from 3.30–5pm. As this is not a formal Parents' Evening, you do not need to schedule an appointment with your child's teacher. If you wish to discuss your child's report, please come along.

## Changes to Free School Meals from September 2026

I wrote to families recently regarding the changes to free school meals arrangements from September 2026.

From September 2026, all children from households in receipt of Universal Credit will be entitled to receive a free school meal. There will be two new groups for free school meals.

|                                         |                                                                                                                      |                                                                                                                                                                                                                 |
|-----------------------------------------|----------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Targeted Free School Meals (FSM)</b> | Pupils in households with annual earnings of £7,400 or less.                                                         | Eligible for other entitlements linked to free school meals including: <ul style="list-style-type: none"><li>• Holiday activities</li><li>• Holiday food programme</li><li>• School travel assistance</li></ul> |
| <b>Expanded Free School Meals (FSM)</b> | Pupils in households which receive Universal Credit but earn more than £7,400 and so don't qualify for Targeted FSM. | Receive free school meals only.<br>Do not receive benefits listed above.                                                                                                                                        |

It is anticipated that this may mean that more children are eligible for free school meals, even if they only qualify for the Expanded group (meals only).

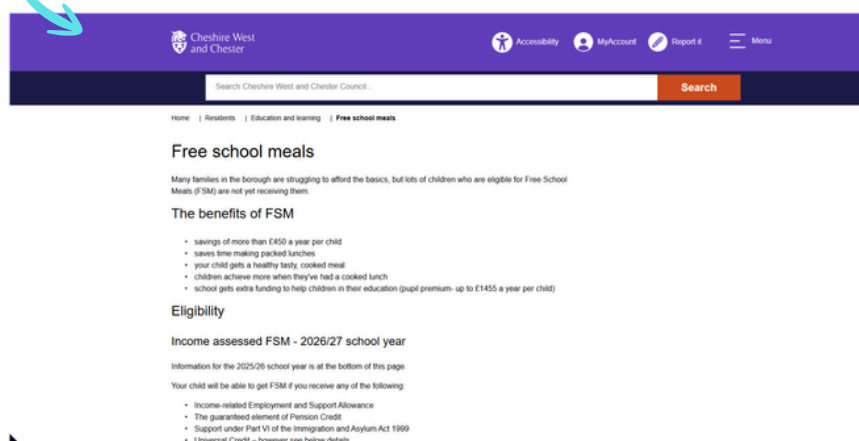

**ACTION IS NEEDED - IF YOU THINK YOU MAY NOW BE ELIGIBLE FOR FREE SCHOOL MEALS OR IF YOU CURRENTLY RECEIVE FREE SCHOOL MEALS PLEASE ENSURE YOUR CHILD IS REGISTERED FOR SEPTEMBER 2026.**

Applications for free school meal applications is now open for the academic year 2026/2027

## Relationships with Local Residents

Thanks again for supporting us to maintain positive relationships with residents in the local community. Thank you for not using the car park of the flats next to the park and for supervising your children when they are in the park

## School Shoes from September 2026

Just a reminder that we will revert back to children wearing school shoes in September 2026.

This year, we trialled permitting children to wear plain black trainers for school but we have had lots of black trainers with coloured stripes, ticks, laces and eyelets this year.

## Candy Floss

A group of enterprising students will be selling delicious bags of candy floss at home time on Monday 20th July. Bags are just £2.50 each.

Skip the home-time queues and sweeten up your Monday by pre-ordering yours today via School Spider—simply collect and enjoy immediately!

Every single penny raised goes directly toward funding exciting future activities for our school clubs.

# Year 6 Residential

Just a reminder for families in year 5, the year 6 residential trip payment needs to be fully paid by the beginning of September.

Your balance can be found on your Compass app.

Click on the cog, select My Payments and then Action Centre, to make your payment.

## European Day of Languages

We will be celebrating European Day of Languages in school on Friday 25th September.

We would love to get our wider school family involved. If you or anyone you know speaks another language or comes from another country in Europe and are willing to come into school and work with the children in some way, Mrs Walsh would love to hear from you.

This could be a language lesson workshop, traditional dress or food. Please discuss any ideas with Mrs Walsh before the end of the July.

You can contact her by sending an email to [admin@hooleprimary.cheshire.sch.uk](mailto:admin@hooleprimary.cheshire.sch.uk).

This week, Year 6 welcomed audiences to Normsville, a picture-perfect paradise where everything's normal, and Norman Normal is proud to say he fits right in... except he's hiding a monstrous secret. When a slime-wave swamps Normsville, and monster mayhem erupts, Norman's secret explodes into the spotlight and there's only one team to call - The Grossbusters!

Exposed and expelled, Norman is dumped down the rubbish chute of doom and dropped into a wonderful world of weird, - with freaky friends, talking burger buns and a rather famous, dustbin-dwelling diva. Together, they plunge into a slime-filled adventure to save the city and discover that different isn't dangerous — it's dazzling!

Oozing with catchy songs, crazy characters and comic chaos, Grossbusters performed this monstrously hilarious musical that celebrates difference, champions individuality, and proves that being yourself is the bravest thing of all.

Year 6 were amazing!

# Swimming

We had some issues with the pool this week so we have secured it for a further few days.

Your child's swimming session days are shown on the swimming rota below and ensure your child brings their swimming kit on the days they have a lesson.

## Equipment Needed

Your child will need to bring the following on their swimming day:

### Essential

- Swimming costume
- Towel
- Carrier bag to put wet clothing into after swimming

For religious or cultural reasons, if your child needs to, they may enter the pool wearing leggings, long or short sleeved t-shirts or shorts either over or instead of a swimming costume. This is also an option for older pupils or those who may be body conscious.

### Optional or if you have them

- Goggles if they wish to wear them
- A swimming hat if they have one – please note that we have these in school so, if your child does not currently have one, they can borrow one from school.
- Recommended but not essential (please don't go out and buy these specially)
- Flip flops, crocs or similar shoes which can be slipped on to walk from the changing areas to the pool
- A dressing gown or long hoodie to wear walking to and from the pool.

**PLEASE, PLEASE, PLEASE ENSURE THAT ANY CLOTHING YOUR CHILD BRINGS IS CLEARLY MARKED WITH THEIR NAMES IN.**

If your child has long hair, please ensure that it is tied back on the days they are swimming. This will speed up getting swimming hats on.

# SONGS OF PRAISE

The Sankofa Songsters were invited to be a part of a recent Songs of Praise episode exploring the joys of connecting generations and how faith plays a part. This featured on the BBC last week! Eight of our wonderful children (George, Darcie, Evelyn, Sophia, Elsie, Harriet, Sophia and Aadhira) along with Miss Carter were filmed during an intergenerational choir event at Belong Care Home earlier this summer. We are very proud of the intergenerational work that we are a part of, bringing joy through singing and meaningful interaction. If you have not yet had chance to watch this fantastic episode, you can find it on BBC Iplayer by pasting this link into your browser:

# YEAR 2 PARK HALL FARM SLEEPOVER

On Friday, year two went on a wonderful trip to Park Hall Farm! We travelled by coach, singing lots on the way and arrived to some glorious weather and jam-packed itineraries. We rode on a tractor, fed sheep, rams and even alpacas. We thoroughly enjoyed a pig race, stroking the softest bunny and brushing a beautiful Shetland pony. The fun didn't finish there as we headed back to school for our pizza picnic, disco and sleepover! The children were fantastic throughout the day at the farm, representing our school exceptionally.

The sleepover was a roaring success and we are unbelievably proud of each and every child. A huge thank you from the year two team, you are all superstars!

# Sports News

We sent a team of Year 3/4 children to participate in an Indoor Athletics Festival at the EPSV this week. They displayed some super skills in various events including sprinting, relay racing, push ball, standing high and long jumps. Everybody had a great time representing their school and giving their all in this fun event. Well done everybody!

| Year 6    | <del>Thursday 2<sup>nd</sup> July</del>  | 9.30 AM |

Parents and carers are welcome to join us on their children's Sports Days and cheer along! Please enter school via the Sports Field gates.

AM - gates will open at 9.15am for a 9.30am start.  
PM - gates open at 1.30pm for 1.45pm start.

Please ensure that all children in **Reception, Year 1, 3, 4, 5 and 6** come to school wearing their PE kits and sun cream, and bring a filled water bottle and a sun cap.

**Year 2's Sports Day** is slightly different as it is also their Graduation Service the same morning. We will set off to church just after registration. Parents are invited to walk with their child to our Graduation Service at All Saints' Church, which starts at 9.40am.

We will walk back to school after the service and then have Sports Day at approximately 11am.

Year 2 children will need to come to school dressed in their uniform, with their shorts and trainers in a bag to change into.

## Enterprise Club

Enterprise club activities are well under way and have been helping raise money for our school.

Spaces for **Make and Take** run by Harriet, Zayn and Fay sold out within hours and Key Stage 1 children have enjoyed making crafts.

Key Stage 2 will have their exciting craft afternoon next week!

**Juice Boost** - Connie, Brady, Ivy and Connor from Year 3, Kostia from Year 4 and Eva, Zara and Jake from Year 5 have been selling cold fruit drinks on Sports Days for £1 to parents and to children. They will be selling drinks at the Sports Days next week so please send your child with £1 if you would like them to buy a drink on the day.

Titanic Ices sold ice pops through school and have made over £100!

**Sweets and Treats** will be selling sweet cones and a selection of cakes after the Colour Run on 21st July and the other enterprises will also be selling any remaining stock too so please bring along cash if you would like to buy from them.

Enterprise Club aims to teach children about enterprise and all the skills involved in being successful in business. As part of the club, children form mini enterprise groups which seek to plan, organise and lead activities whilst learning about costs and profits as well as market research and marketing. Well done to all the Enterprise Club children who have worked hard to set up and run these enterprises and a huge thank you to everyone who has supported them.

INNOVATION  
STUDIOS

# Innovation Studios Case Study

## Chester primary schools project 2026

Innovation Studios is a Young Enterprise programme that leads students through a series of tasks to develop a solution to a challenge set by a real-world business or organisation. **Through our partnership with the Westminster Foundation** we adapted the Innovation Studios challenge for a primary school aged audience. In Spring 2026 we delivered the programme with seven primary schools and the support of students from one secondary school in Chester.

The schools involved were Hoole CoE Primary; Saughall Primary; Upton Heath; Mill View Primary; Newton Primary; Upton Westlea Primary; Acresfield Primary and Upton High School.

The programme brought together young people to tackle a real-world challenge: **how can we encourage young people to think creatively and imaginatively about making better use of the outdoors?**

Through Innovation Studios, the young people were given the chance to work in **cross-school teams in a supported environment**. They collaborated with peers from different schools and Year 8 mentors from Upton High School who took on the role of peer consultants.

The programme ran across three key sessions from March to June 2026, culminating in a pitch day at Eaton Estate where teams **presented their ideas to a panel of judges from the Westminster Foundation**.

At the start of the journey, working with students from other schools and presenting ideas to judges felt daunting. Communication and collaboration were significant challenges for many participants, and developing polished pitches to a consistent standard was not easy. **They learned to adapt. Teams divided tasks around individual strengths**, making sure everyone had a meaningful role such as researching, designing concepts, or presenting.

The teams learned that innovation is about listening, problem-solving and resilience. With every session and team meeting, their confidence grew as they tested ideas, refined their thinking and learned to trust one another. Young people who were once nervous about presenting began explaining their ideas and representing their teams with pride. **The programme gave them regular opportunities to speak, adapt and respond with growing self-belief.**

All four teams responded to the challenge with creativity, ambition and genuine enterprise thinking. Westminster Foundation judges praised their **confidence, communication skills and the thoughtful consideration many teams gave to inclusivity and accessibility.**

The teams at Eaton Estate Courtyard in June 2026

The impact went beyond enterprise. Teachers described how the programme helped young people **develop confidence and resilience** in real-world settings, and being part of cross-school teams gave them opportunities to interact with different peers, speak to judges and practise collaboration skills.

Year 8 mentor Pippa from Upton High School shared: "Working with these children over the past

weeks has taught me many things such as patience, how to lead but not control and key coaching skills that will be beneficial in my future. It has been such a pleasure to work with them and an incredible experience to be at Eaton Park today."

Young Enterprise would like to give a special thank you to Clare Watling, Deputy Headteacher at Hoole CoE Primary, who expertly coordinated the participating schools and served as a vital link between Young Enterprise and the school cluster throughout the programme.

The teams and their business solutions to the Innovation Studios challenge are as follows:

**Canal Quest** — An interactive trail along Chester Canal with QR codes bringing history and nature to life for young explorers. The team went further on the enterprise front, suggesting local businesses could offer discounts to people completing the trail, creating a sustainable community model.

**Westmill** — Information cards for public spaces with QR codes directing visitors to further details about plants and trees.

**BlueSaints** — A Natural Park concept offering activities such as bird watching, litter picking, pond dipping and space for dog walkers.

**NSpire** — with the strapline: 'Get out and enjoy it' — an app offering interactive, seasonal trails for young people to spot changing signs of nature outdoors.

Innovation Studios achieved remarkable outcomes. **69% of participants said the challenge helped prepare them for secondary school and 77% said it helped them learn teamworking skills,** demonstrating the programme's impact on transition readiness and confidence building.

Sally Hopkins, YE Project Manager, reflected: "The young people who took part in our Innovation Studios demonstrated that **age is no barrier to thinking creatively and with an enterprising mindset in solving a business challenge.** We've been so impressed by the students' ideas and by their confidence in presenting their pitches today."

Hoole CoE's Deputy Headteacher concluded: **Working with YE on the Innovation Studio programme gave our children not only a real life application of financial education but also the opportunity to collaborate, develop interpersonal skills and think creatively. What was also really significant was that it got the children thinking about their local environment - all that the outdoors had to offer. Seeing them talk with excitement and pride about their local area was really special.**

# Scarecrow for Hoole Allotments

Using the incredible design from Daiy and Hettie, children used their lunchtimes to work together to create a Harry Potter scarecrow for the upcoming HAGA Open day. We painted the face and found items to make a cloak and hair. We had help from Mrs Inns' dad who made us a wooden frame to support Harry's shirt and trousers! It was great fun.

The Hoole Allotments open day is on Sunday from 11am - look out for Mrs Inns who is manning the tea tent!
