

Create & Make

Create a picture (paint, collage, print) or a model of a mammal (can you find out what a mammal is?)

Create and label a picture of a spring flower

Make a rain gauge and measure weekly rainfall

<https://www.science-sparks.com/weather-make-a-rain-gauge/>

Create a local building from a construction kit or recyclable materials

Nature Detectives

How many signs of Winter can you record in one picture?

Can you write a Winter poem?

Keep a 'weather diary' over two weeks. What kind of weather do we have in Winter?

Draw pictures of a deciduous tree in Winter and an evergreen tree in Winter. What is the same? What is different?

How many signs of Spring can you find?

What plants grow in Spring?

What happens to trees in Spring?

Changes

Year 1 Spring Term Homework

Number and counting

How many ways can you find of adding two numbers to make 10 or 20?

As an adult if you can borrow some coins. How many different British coins can you find?

Draw pictures to show grouping into 2's, 5's and 10's

Ask your family what is their favourite fruit or vegetable and create a pictogram

'For I the LORD do not change' Malachi 3:6

History

Ask your grandparents or great-grandparents how life has changed since they were 5 or 6
What was school like for them?
What about their home - what was different for them?
Where did their parents do their shopping?
What games/toys did they play?

ICT

Make a pic collage of Winter photos.

Choose an activity from the Woodland Trust website:
