

## English

- Write a guide to a healthy lifestyle. Include titles, subheadings, bullet points, diagrams, labels and captions.
- Write a letter to the head of a food or drinks company, e.g. Coca-Cola, persuading them to reduce the sugar content of their food/drink.
- Write your own story which has multiple endings for the reader to choose from.
- Write a set of instructions for your own healthy recipe. Include commands with imperative verbs.

## Homework: Choices

How do the choices that we make impact upon ourselves and those around us?

## Year 6: Summer Term

**Isaiah 30:21** - If you wander off the road to the right or the left, you will hear His voice behind you saying, "Here is the road. Follow it."

### Expectations

Six pieces of homework need to be completed by Friday 12<sup>th</sup> July.

Carry on learning times tables, spellings and read at least three times a week.

## Maths

- Create your own multiple-choice questions for friends and family to answer.
- Create maths questions with more than one answer.
- Times Tables up to at least 12x12 (use TT Rockstars).
- Learn Roman Numerals. Write the years in which your family members were born in Roman Numerals. Create calculations using Roman Numerals.
- Create your own board game based on an area of maths, e.g. time, fractions, times tables.

## Art & Design

- Draw a map of your street.
- Draw your street using perspective.
- Draw an accurate floor map of your own house.
- Create a collage for Winsford, past and present.
- Make accurate and technical drawings of the human body and internal organs.
- Make a model human skeleton.
- Design and make your own healthy snack.
- Design a brand-new piece of gym equipment.
- Create a poster to encourage healthy lifestyles.

## Science

- Label your own drawings of the human body and internal organs.
- Research the differences and similarities between the human body and other animals.
- Create labelled drawing/model of a balanced meal.
- Keep a food diary for a week. Place what you eat into categories.
- Create a book for younger children to learn about the human body. You could include features like 'lift-the-flap' and 'Did you know?'
- Make a jigsaw of the human body and organs.
