

## Geography

- Make your own compass and label the compass points
- Make a map of a journey you make often. eg to school, Grandparents house, or the park
- Research a country of the World. What continent is it in? What is the weather like? What are the main sites?
- Can you draw or make your own globe? Can you label the continents and seas? Colour the hot countries in red and the cold countries in blue.

## Present to the class

- Use the internet or library to find out information about Tim Peake or Neil Armstrong. Who are they? What is special about them?

## Maths

- Log on to Times Tables Rockstars to practise your times tables - 2s, 5s and 10s.

**How did people explore the world now  
and then and can we explore our  
local world?**

**Year 2 Spring**

Proverbs 16:9 The heart of man plans his way, but the LORD establishes his steps

Please complete 6 activities by **Friday**  
**20<sup>th</sup> March 2026.**

## Science

- Find objects in your house and see how high they can bounce.
- Design a new running shoe for an Olympic runner. What would be the best material?
- Carry out an investigation with your family. Who has the longest legs? Can they make the longest jump?

## Discussion

If you could go anywhere in the world, where would you go and why? How would you get there? Can you locate it on a map or globe?

If you were stranded on a desert island and could only take 2 things with you, what would they be and why? Would family members choose different things to you?

## Creative Writing

Write about a journey you have been on. It could be real or imagined. Can you include some noun phrases to describe what you could see and hear?
