

## Science

- Choose an animal, research its habitat, draw or make a model.
- Go on a walk. What minibeasts can you find? Where did you find them?
- With the support of an adult, prepare and cook a healthy meal using foods from a variety of food groups.

## Geography

- Use Google maps to find Winsford. List as many physical and human features you can find.
- Research the difference between some of the hottest and coldest places in the world.
- Create a poster about the Daintree rainforest and Delamere forest.

## English

- Draw and create a character description of your family member - What do they look like, what are their personality traits. Will we be able to identify them?
- Create your own underwater story as a cartoon strip. Use speech bubbles.

## Homework - Summer Term

**Choose 6 activities to complete before 13<sup>th</sup> July 2026.**

**It can be brought into class or emailed ready to share with your friends.**

"But grow in the grace and knowledge of our Lord and Saviour Jesus Christ"

*Peter 3:18*

*Through Learning We Grow*

## Maths

- Keep a time diary. Write down the activities you do at the weekend and draw clocks to show the correct time.  
*For example:*  
*What time you get up and*  
*What time you eat breakfast.*
- Continue practising 2, 5 and 10 times tables and the corresponding division facts. Use Times Tables Rockstars to help you.
- Continue practising 3, 4 & 8 times tables and the corresponding division facts. Use Times Tables Rockstars to help you.
- Measure the height of all the members of your family in metres and centimetres.

## DT/ Art

- Draw a plan for a new garden, include plants, objects to create new habitats for wildlife e.g., birds, butterflies & hedgehogs. 
- Go on a nature walk. Collect items e.g., twigs leaves or stones to create a natural piece of art. Can you create a pallet of colour? Send in your photographs.
