

Week beginning 26th January 2026

Reception are working so hard and are getting ready to write. They have been practising letter formation and using phonemic awareness to create their own words.

In maths Reception have been learning all about capacity!

Hands on, practical
and fun learning based
around developing
skills that are needed
in the real world.

Key Stage 1 children have ex-
plored manipulatives by using
Sketchpad

Amazing rhythm and musical instrument playing by all of Class 1. The children identified and copied the beat, explored pitch and tone and then improvised using the instruments to perform 'I am in the Groove.'
