

Week Beginning 23rd March 2026

Well what an exciting last week of term! We have managed to do so much even though it is a slightly shorter week.

We have continued to write about Peter Rabbit and the children have completed some amazing writing! Reception children have painted some wonderful pictures of Mr McGregor too!

This week in maths we carried out a traffic survey. The children went out front to collect data on the colour of cars passing the school. The children had to count, tally, total and then create a block graph in pairs.

The day when Peter Rabbit
and Benjamin Bunny came!
It was amazing!
