

Week Beginning: 18th May

We have made it to the last day of this half term! It has flown by and been so busy the children are definitely ready for a little break.

This week we have had the Year 2 children completing their SAT's. These are not like the Year 6 SAT's, they are less formal and more of an assessment tool to help back up the assessments that have been completed during the year.

The Year 2 children have worked hard and tried their best throughout the week. They have been rewarded with fun activities like making a fruit kebab, painting like van Gogh and lots of access to our wonderful educational outdoor area. Because it has been so busy there aren't many photographs of the key stage 1 children this week.

Please note—PE have been sent home for washing. There will be no homework this week.

We have been celebrating the Reception children this week! As we draw near to the end of the year the teaching staff are busy carrying out detailed observations and assessments to check where they are in relation to the Early Learning Goals. It has been wonderful to see how much progress they have made over 1 academic year.

I can see a mat.
I can see a Peter Rabbit.
I can see rabbit trap.

How amazing is this independent Reception writing!
