

Week Beginning: 6th July 2026

Another scorching week at Sharneyford with Class 1 still continuing to work incredibly hard right up to the end of the week. I really admire the children's love for learning and how they want to achieve well for themselves.

Due to the heat we have carried out most of our learning outside in our lovely outdoor learning environment.

Week Beginning: 22nd June 2026

The children have continued to base their writing on the text 'Aladdin.' We have completed so much quality writing based on this Disney Classic—from openings, inference paragraphs to our own 3 wishes including subordinating phrases.

We will be sad when we finally finish the book next week!

PSHE—The children have been learning about consent and privacy. The KS1 children discussed how our bodies are private and discussed different scenarios and the best way to tackle them.
