Friday 21st November 2025

Dear Parents / Carers

Next week, the children will be visiting Forest School to complete some exciting activities. The sessions this time will take place at Sharneyford Park. Children are advised to wear wellies or sturdy boots, hats and gloves, appropriate warm clothing (waterproofs) and long sleeves and trousers. Lots of layers are preferable as this keeps children warmer and they can be removed should they become too warm.

A spare set of clothing should be brought to school on this day for your child to change into after the activities. Uniform is not required for this day. Children should arrive at school dressed ready for their Forest School session. The visit to Forest School will take place no matter the weather conditions.

Class 1 will visit Forest School on Tuesday 25th November

Class 2 and Class 3 will visit Forest School on Wednesday 26th November

Yours sincerely

Mrs S Smith

Head Teacher and SENDCo
