Sharneyford Primary School Newsletter

It is Friday everyone!

We've had another fantastic week, with children across the school engaging in exciting learning experiences both inside and outside the classroom. It has been wonderful to see pupils showing enthusiasm, curiosity, and resilience as they explore new topics and develop their skills. Please check your child's class page for weekly updates on their learning.

Our PE sessions, delivered by **Rossendale Leisure Trust** as well as the swimming lessons continue to be a real highlight for all of our children. Their coaches bring energy, expertise, and a fun approach that helps pupils build confidence, teamwork, and a love for staying active. We are very fortunate to have them working with us each week.

To ensure children can take part comfortably and safely, please make sure they have the correct PE kit in school for each session.

As the winter weather continues, we kindly ask parents and carers to ensure children come to school with **warm, waterproof clothing**. Many of our activities—including outdoor PE and playtimes—take place outside in all but the most extreme conditions. Please make sure your child has: a warm coat, a hat and gloves, suitable footwear and a waterproof layer if rain is forecast.

Wishing everyone a lovely weekend.
