

Sharneyford Primary School Newsletter

Last week, we reached the last Friday in January and it had been a long and cold month!

Across school, the children took part in lots of exciting activities and demonstrated their learning in a range of interesting ways.

During the week, I worked with Key Stage 2, looking at what they feel could be core values for Sharneyford Primary School. They worked together to produce some thoughtful and reflective ideas and it was a pleasure to see how mature they could be when working together. More to follow in time linked to this and similar work will take place with class 1 too.

On Friday morning, we had our fortnightly Celebration Assembly. It was lovely to hear how proud staff and children are of the work that is taking place across the school. Our winners were: Chris, Polly, Luna, Evelyn, Penelope and Ruben. Photos are below.

Some polite reminders:

Children in year 6, who have parental permission can walk home at 3.20pm. No children are able to walk home from any after school provision, they must be collected by an adult.

Collection of children from school should be by an adult, aged 18 or over.

Please continue to support school by ensuring that we have the correct contact details and that changes to collection are communicated to the office email address or main school number.

Reminders have been sent in relation to outstanding balances for before and after school club and school dinners. Please can these be actioned as soon as possible.

I hope that you had a lovely weekend and have a positive start to the new week.
