Sharneyford Primary School Newsletter

Happy sunny Friday everyone!

It has been an exciting week full of lots of sunshine, learning and activities both inside and outside of the school building.

On Tuesday and Wednesday, the pupils across school visited Forest School, led by Mrs Greenwood. The children played games, had an egg hunt, built rafts and explored the grounds. Photographs are below.

We held our Spring term Parents Evening on Tuesday. Thank you to our families for supporting school and your child's learning by taking the time to meet with class teachers.

This morning we held our Celebration Assembly where the award winners were: Thomas, Rosalia, Arthur, Oliver and Darcie. Well done to these children!

Thank you for supporting Red Nose Day by sending the children into school wearing something red. As well as this, thank you for the generous donations towards gingerbread socks to support The East Lancashire Down Syndrome Charity - every single biscuit was sold! Thank you!

Next week, it is the school disco on Wednesday, the Easter bonnet competition on Thursday and school closes at 1.00pm on Friday.

Wishing you all a lovely weekend.

Mrs S Smith

Reminders:

- Due to the end of the Spring term and the Easter disco, there will be no Sunset Club provision after school on:
- Wednesday 25th March
- Friday 27th March

Attendance at Sharneyford:

Class 1: 94%

Class 2: 99%

Class 3: 89%

Fortnightly Stars of the Week

Head teacher award Winners

Weekly Dojo Winners – Class 1

Swimming awards

Other Achievements

Forest School 17th March 2026

Class 1's Forest School session were blessed with some fabulous warm spring sunshine. They discussed and looked the signs of spring, and also listened to the birds. They had a great time completing an Easter egg hunt. Children had to find the hidden eggs, bring them to an adult who opened the eggs (which had a forfeit inside), the children read the forfeit and had to do whatever it said. Things like: hop like a bunny, leap like a lamb, sing 'Run Rabbit' and dance like a chicken to mention a few. They then had a snack and a drink before having some free time to explore the site.

Forest School 18th March 2026

Class 2 and 3 had an even warmer day than Class 1, it was glorious! Their task was to design and build a small raft. The raft had to be able to float in the tub, but it also had to be stable enough to carry stones which had each been weighed and the weight recorded on each stone. The raft which floated and carried the most weight won. There were lots of different designs, the children used their problem solving skills to work out how to make sure that their raft could carry some of the stones. They also used their maths knowledge to add up the different weights of the stones. They also had a snacks and a drink, Class 3 had a few games of capture the flag before returning to school.
