Sharneyford Primary School Newsletter

Happy Friday and 100th birthday to Sir David Attenborough

Today, the children and staff have filled the school full of colourful and creative animal costumes, from elephants to flamingo's and insects to lions! It has been wonderful seeing everyone together for such an important celebration.

On Tuesday, class 2 visited Helmshore museum to learn about the cotton industry. They had an exciting day and came back very enthused and eager to share what some of their clothes are made from.

Class 3 then visited Bacup museum on Wednesday afternoon where they learnt about the history of the local area and how the small town has changed over time.

In assembly, Isabella, Olivia R and Jack H shared their awards from outside of school – we were very proud of them!

This week, we have had the Scholastic Book Fair in school. Thank you for your support and for your lovely purchases. Every book bought, provides more books for school. It has been lovely seeing our children talking about and being enthused by lots of different stories.

Next week, is an important week for our Year 6 children as it is the end of Key Stage 2 SATS. We know that they will work very hard and will approach each day with positivity, resilience and determination.

Wishing everyone a lovely weekend.
