Sharneyford Primary School Newsletter

What an eventful and proud final week of the academic year here at Sharneyford.

Although the football result did not go the way we would have liked on Wednesday, pupils have still had a fantastic week taking part in different activities. Pupils loved their toy day celebration and played wonderfully well together throughout the morning (& afternoon for some). The ice cream treat also went down very well with both pupils and staff. We were very grateful for the chance to cool off a bit in the hot temperatures.

Our presentation assembly and Year 6 assembly further celebrated our wonderful pupils on Thursday and Friday. Thank you to all those families who could attend and support the children. We will miss our wonderful Year 6's but know it is time for them to move on to do great things at their High Schools.

School is very pleased to announce that we have achieved the Platinum Schools Games Mark Award this year. We have achieved Gold in the preceding four academic years, demonstrate continued community impact, and actively engaged with our local School Games Organiser. Well done to Mr Greenwood and all staff in supporting this. It is not a simple achievement considering the unique small setting we have at Sharneyford so we are very proud.

Thank you for your support and have the best Summer break away from school everyone!
