- Photography and collage project inspired by David Hockney's 'Joiners'
- Arts Week!
- Music appraisal exploring different genres

French and R.E

- Let's go shopping!
- Beliefs and meanings/Easter Christianity

Year 6 I Have the Power!

History

- Local history study

PHSCE

- Relationships
- Communication skills
- Keeping safe

P.E.

- Invasion games
- Well-being through sport
- Orienteering

Science

- Investigating different types of circuits and the function of each electrical component.
- Identifying and using a range of electrical symbols in diagrams.
- Comparing and reasoning why circuits and their components can vary.
- Designing circuits with motors to control our vehicles in design technology.

Geography

- OS map skills
- Local area study
- South America study

Design Technology and Computing

- Controllable vehicle project
- Researching existing products
- Designing and testing
- Making and evaluation skills
- E-safety and communication
- Blogging and networks
