Pay
Headteacher's Performance Appraisal
Admissions
Staff Discipline/Staff Dismissal
Appeals – Pupil Exclusion
Appeals - Staff

The Members' role is discrete and distinct; they are tasked with assessing if the Trustees are performing well and, as such, are ensuring the purpose of the Academy is being met. They have an overview of the governance arrangements of the Academy. While Members hold the Academy to account for effective governance, the Members themselves have a minimal role in the actual running of the Academy. It is the Trustees who are the organisation's key decision makers.

As we are an Academy, all Governors are registered Trustees of the school. The Trustees are responsible for the conduct of the school and for promoting high standards of educational achievement. They aim to ensure the children are attending a successful school which provides them with an outstanding education and supports their well-being. They encourage the school to be forward thinking and innovative. They act in the interests of the children and the wider community.

The FGB meets at least three times a year. The TLA and FAP committees meet on a regular basis throughout the academic year. Other committees meet at appropriate times as needed.

We have a very hard working and dedicated group of Governors who put in many hours to ensure decisions are made both for the short and long term good of the school. They consistently monitor and evaluate the progress the school is making in achieving these aims.

Karin Whitehead

Chair of Governors
