

MANOR PARK MATTERS

WEEK BEGINNING 14TH SEPTEMBER **TAKING PRIDE IN OUR WORK**

It has been another fantastic week of learning across the school, with the children continuing to shine through our core values of responsibility, reflection, pride, resilience, and respect. They have supported each other, learned from their mistakes and pushed through challenging tasks.

This week we have had a whole-school focus on pride, particularly in the presentation of our work. Our children have taken this very seriously, taking real care with their handwriting, layout, and attention to detail. The standard they have set this week is outstanding, and the challenge that we have set for them now is to keep this up for the year ahead.

ATTENDANCE

We have had a really positive start to the new year in terms of attendance. Currently we are at just under **98%**, well above our **96%** target.

Good attendance plays a huge role in a child's academic success. Let's try and maintain this fantastic start!

SEESAW

Seesaw is now up and running for every class. This will be the main communication tool that class teachers will use to keep you updated about your child's learning.

If you don't have access to Seesaw, please let your child's teacher know ASAP so that we can help to get you set up.

ART EXHIBITION

From next week, our pupil's fantastic art work will be on exhibition at Knutsford library for two weeks, as part of a Cheshire Academies Trust project.

The children have produced some wonderful pieces that we are pleased to celebrate. Please do visit the library if you can to see the brilliant art that has been created.
