

I can name Robert Verdin and can describe why he is important to the people of Northwich

This is a statue of Rober Verdin that can be found in Verdin Park in Northwich.

Robert Verdin was important to the people of Northwich because he gave them:

- Verdin Park

- Northwich Infirmary

I can name the four compass points

I understand why Verdin Park was created

Robert Verdin was the owner of a family salt business known as Joseph Verdin & Sons. He gave Verdin Park to his workers as a place where they could relax with their families.

His statue is still in the park to-day.

I can name the four countries of the UK and their capital cities

I can draw a map with some of the key features we passed on our journey to the park
