### Crawford Primary School would be better if ...

- It's perfect!
- Had a clear communications strategy and sent less email. But better more informed content.
- Please don't change!
- It cannot be any better.
- Crawford is a fabulous school, both my children have flourished here. All the staff are extremely supportive of the children and parents.
- It had space for a hall.
- I have no further suggestions.
- Paper based homework rather than technology
- There was better security to the school grounds. Very accessible to intruders and I can imagine this will flag in the next Ofsted as a safety concern
- It's already an amazing school

### Any other comments ...

- Thank you so much for being amazing and taking such care and pride in our babies.
- You are all fabulous, caring individuals and it shows in how much all of the children are when around you. Thank you.

- 
- Thank you for all your hard work - you are all amazing.
  - We are so lucky to be a part of CVPS
  - The school has allowed my child to truly flourish.
  - Excellent school! Our son thrives here! Thank you.
  - Very happy, thank you! The best teachers we could ever hope for.
  - Amazing staff!
  - Crawford is a welcoming space. My children have both grown and thrived here, I think every child is given the opportunity to shine at Crawford. [My child] has been supported in her learning and her anxieties faced. After 14 years of attending Crawford and this is our last. We have seen the school grow and develop and we will miss being part of the Crawford community.
  - Other than a few safety concerns for the bad that's been happening in the world lately and no change implemented to the school grounds to prevent the feared, the school is brilliant and so are the staff.
  - Fantastic school and amazing staff
  - We feel proud to say our child goes to Crawford Primary. Thank you.
