

Class 1/2

AUTUMN 1

NEWSLETTER

What will we be learning this Autumn 1 term?

English

We will be reading stories about toys and learning how to retell the story. We will be practicing our phonics and reading different texts daily.

Mathematics

During the Autumn term Year 1 children will be focusing on number and place value to develop the children's basic number skills. The Year 1s are learning number and place value within 20 and the Year 2s are learning number and place value within 200.

Not forgetting that the Year 1s will be learning how to count in 10's and the Year 2s will be recapping counting in 2, 5 and 10s, this will be daily in class.

Science

We will be learning about living things and their habitats. We will learn about different habitats that animals and plants live in, we will also be learning about food chains.

History

We will be learning about how toys have changed over the years. We will be comparing toys that our grandparents and parents had to the toys we have today.

R.E

We are focusing on the religion, Judaism. We will be looking at different artefacts and their culture.

PSHCE

Being Me in my World - We will be looking at rules and how they keep us safe as well as our rights and responsibilities.

Computing

Purple Mash - We will be learning all about Purple Mash and how we can use it as well how to keep safe whilst online.

Art/DT

We will be making a windmill and identifying all the different mechanisms that makes it work.
