Our Day

Our doors open at 8:45 and our day begins with collective worship or a morning starter. We then proceed to have our phonics lesson followed by playtime. After playtime we refuel with milk and toast. Our next lesson is English followed by maths before we head into the hall for dinner time.

After dinner time we complete our topic lessons before finishing the end of the day with a story.

Awards and praises

We acknowledge all kinds of achievements in our year one classroom by receiving dojo points and stickers.
