

Class 1/2

AUTUMN 2

NEWSLETTER

What will we be learning this Autumn 1 term?

English

We will be reading stories that show what it is like living in Autumn. We will be using our senses to write a recount and write a poem.

Mathematics

During the Autumn term Year 1 children will be focusing on addition and subtraction. The children will be focusing on different strategies to answer questions.

Year 1s will focus on their 2 timetables and Year 2 will focus on their 3 timetables.

Science

We will be learning about microhabitats, this will include going on minibeasts hunts and making and observing a wormery.

Geography

We will be learning 'What it is like to be here'. We will focus on our classroom, our school and where we live.

R.E

We are focusing on the nativity story. Each week we will focus on a different aspect of the nativity story.

PSHCE

Celebrating Difference - We will be looking at how we are all different and that's ok. We will also be learning about stereotyping and how we can not make assumptions about each other.

Computing

Purple Mash - We will be learning how to move objects around mazes and we will begin to learn how to program a game.

Art/DT

Using storybook illustration as a stimulus, the children develop their mark-making to explore a wider range of tools and experiment with creating texture to add detail to drawings.
