

# Spring 2 Newsletter

## 3/4D

### Mathematics

Our focus will be on multiplication and division crossing 10s and 100s using the exchange method. We will also work with our multiplication and division knowledge to find inverse operations. We will then move onto working with Fractions

### History

This term we will focus on why the Romans settled in Britain asking questions like, 'What was life like in the Roman Army?' and, 'Who were the Celts?'

### English

The children will link their writing to the History topic of Roman invasions by composing recount texts including diary entries and letters. Persuasive writing texts will be produced based on the novel 'Queen of Darkness' by Tony Bradman which tells the story of Queen Boudica.

### R.E

This term we will ask ourselves 'What are the beliefs of the Hindu religion?'

### Computing

The children will learn how to touch type and create branching data bases.

### Science

This term's topic will be States of Matter looking at the changing states of solids, liquids and gases.

### P.S.H.E

We will investigate our dreams and goals this half term,

### Music

We will be identifying the features of and performing ballads.

### Art and D.T

This term we will learn how to master cross - stitch and applique to make cushions.

P.E will take place every Tuesday afternoon so could you ensure that the children have their P.E kit in school every Tuesday. The children will visit Worsley swimming baths on Friday afternoons.

### French

We will build on our knowledge of French numbers, applying this to fun Maths and number games

Homework will be posted on Dojo every Friday to be completed for the following Wednesday.
