

Classroom Newsletter

Class 1/2

CLASSROOM NEWS

English

We will be reading stories that allow us to write narrative descriptions about characters.

Mathematics

During the Spring term Year 1 children will be focusing on division using grouping and our 2, 5 and 10 timetables. Year 2s will focus division using different strategies before moving on to statistics..

Science

We will be learning about Everyday materials. We will be investigating the suitability of different materials.

History

We will be learning 'How have explorers changed the world'. We will focus on explorers that have made great discoveries.

R.E

We are focusing on sacred places. We will look more closely at synagogues and churches.

Computing

Purple Mash – Questioning/pictograms

Art/DT

In DT we are designing and making a pouch by practicing our stitching.

PE

We are learning how to create a dance routine.

REMINDERS

- ✓ PE day is Tuesday, PE kits to be in school, this includes white t shirt, black shorts and PE pumps.
- ✓ Reading books to be brought in to school daily.
- ✓ Homework and spellings in school on Thursdays.

HOW TO HELP

Read at least 3 times a week.

Ask your child questions about their book, talking about the book helps their understanding.

Practice 2,3,5,10 timetables.
