

Year 2 Spring 2

Newsletter

What will we be learning this half term?

English

In English, the theme of our class texts will be Food Glorious Food, and we will be reading books such as The disgusting Sandwich and Sam's Sandwich. We will be writing narratives, instructions, and poems.

Mathematics

In Maths, we will be learning about measurement, including length and height, mass, capacity and temperature.

Science

In Science, we will be learning about the four seasons and the weather associated with each. We will explore how seasonal changes affect trees, daylight hours and clothing choices. We will plan and carry out weather reports, considering the knowledge required for this job.

Geography

In Geography, we will be learning about the world's wonders, the names and locations of the world's oceans and considering what is unique about the local area.

R.E

In RE, we will be learning about Easter and celebrating new life.

PSHCE

In Jigsaw lessons, we will be looking at how to stay healthy.

Art

In Art, we will be exploring colour, using a range of tools to paint on different surfaces and creating paintings, inspired by Clarice Cliff and Jasper Johns.

Music

In Music, we will be making links between music, sounds and environments and using percussion, vocal and body sounds to represent calm or stormy seas.

Computing

We will be using Purple Mash to look at online safety and creating animated story books.
