Coverage	Ongoing Guidance
Count objects Counting by rote, counting aloud, clapping, stamping, drumming etc, nursery rhymes, counting songs, using fingers to represent numbers	Encourage chn to put objects into a line so they have a clear start and end point, actions, and sounds.
Subitise – perceptual subitizing	Start by subitising and counting objects that are identical before moving on to slight differences e.g., size/colour, 5 frames can be used to support chn to subitise and compare numbers within 5.
Matching and Sorting into groups same/different, colour, size, shape.	Show collections of objects can be sorted into sets based on attributes such as colour, size, or shape. Understand the same collection can be sorted in different ways, discover own criteria. Lining up time sorting – if you like carrots line up, if you have a sister line up
Comparing amounts – equal, more than, fewer than.	Understand when making comparisons a set can have more items, fewer items or the same as another set. It is easier to make comparisons when the difference between sets is greater
Comparing size, mass & capacity – big/little, large/small, short/tall, tallest/shortest.	Specific language introduced such as tall, short, and long. Encourage using specific vocab to describe what they notice
Exploring pattern - making simple patterns, odd one out, exploring more complex patterns.	Copy, continue and create own simple repeating patterns. Provide patterns with at least 3 full units of repeat. Say the pattern aloud to help to identify the part which repeats and supports to continue. AB patterns in a range of contexts e.g., shapes, size, actions, sounds. Build patterns vertically and horizontally.
