

# KEYS TO SUCCESS Y4

|                       | Activity                                                                                         | Rationale                                                                    | Evidence                                             | Christian Value | Have I achieved it? |
|-----------------------|--------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------|------------------------------------------------------|-----------------|---------------------|
| <b>Suggested Term</b> | <b>School Based Objectives</b>                                                                   |                                                                              |                                                      |                 |                     |
| Autumn                | I can help somebody to tidy away their belongings                                                | To think about other people's lives                                          | Photos of the event                                  | Compassion      |                     |
|                       | I can create an electricity circuit that lights up a lamp when completed                         | Links to Science and electricity                                             | Photos as evidence                                   | Creativity      |                     |
| Spring                | I can put my face into the water during my swimming lessons                                      | Links to P.E and swimming lessons                                            | Swimming certificate                                 | Perseverance    |                     |
|                       | I can create a purse or wallet by sewing.                                                        | Links to D.T. and History                                                    | Photo of the finished piece                          | Creativity      |                     |
| Summer                | I can take part in a race at sports day                                                          | Links to healthy lifestyles                                                  | Photos of the event(s)                               | Courage         |                     |
|                       | I can use a vessel to move across water (kayak, sailing boat or canoe)                           | Links to P.E and Outdoor Adventurous Activities                              | Photos of the event                                  | Thankfulness    |                     |
|                       | <b>Home Objectives</b>                                                                           |                                                                              |                                                      |                 |                     |
|                       |                                                                                                  |                                                                              |                                                      |                 |                     |
| Autumn                | I can find an example of 'sustainable living' in my local area. (solar panels, wind farms, etc.) | Links to Science and sustainability                                          | Photographs                                          | Creativity      |                     |
|                       | I can make a dessert for my family to share                                                      | Linked to seasonal food                                                      | Photos                                               | Courage         |                     |
| Spring                | I can create a poster that explains the water cycle                                              | To engage children with their environment and be aware of their surroundings | Written report/ poster                               | Wisdom          |                     |
|                       | I can design and create either a Viking longboat or a Viking shield                              | Linked to History                                                            | Photographs, drawings, model boat                    | Creativity      |                     |
| Summer                | I can explore a local woodland, understanding its history, then present my research to my class. | Links to History and Geography                                               | Photographs/ drawing of my adventure/ written report | Perseverance    |                     |
|                       | I can make a picture or painting of a character from my class reading book                       | Links to History & Art                                                       | Picture, painting                                    | Creativity      |                     |
