SCHOOL UPDATES

We are very pleased to share with you some fantastic updates that have happened around school during the summer holidays. Thanks to the funding from our PTA we have now been able to fully refurbish the school library. We have also had some new wall art around the school

WORSHIP UPDATES

Firstly we would like to extend a warm welcome to Rev Harry Frost who most of you will now know. Harry has spent a lot of time in school and regularly attends our afternoon worship

Cathryn and our worship leaders have been very busy planning the school worships and are currently working on collecting food for the food bank.

We have 9 worship leaders in KS2 who meet every Thursday. They have also taken part in a zoom call with the Chester Diocese where they talked about worship within our school and said the Lord Prayer.

On Friday 24th October we will be running prayer space at the church hall. The focus for this terms prayer space will be building community. This is a wonderful day which the children always enjoy.

Finally we want to say a massive thank you to all of the children involved in the Chip Kendal music video. This was such a great opportunity for the children and a great day in school that all of the children will remember. Below is the link to the video so far.

SPORTS NEWS

We have had a strong start to the year with our Football and Netball teams both taking part in competitions over the last few weeks.

Both of our Football teams have qualified for the finals this week
The Netball team have had some great results with our team currently placed 2nd and 5th in the league

We have 12 Sports captains who will be supporting Mr Darby and the PE team across the school with physical and wellbeing activities. Our sports captains are Olivia P, Mila L, Georgina H, Millie B, Mason T, Jake J, Isla R, Ellie B, Layla L, Jackson R, Henry P & Callie W

MANAGING DIGITAL FRIENDSHIPS – ONLINE VS REAL-WORLD FRIENDSHIPS

ISSUE 11

ONLINE VS REAL-WORLD FRIENDSHIPS

Online games and apps make it easy for children to form friendships, especially when they share interests or enjoy playing together. For children, this can feel exciting and fun - but it's important to remind them that people online may not always be who they say they are. Unlike real-world friends, we can't truly know the person behind the screen.

Encourage your child to play and chat only with people they know in real life, and let them know that they should always come to you if someone online makes them feel unsure, upset, or uncomfortable. Keeping communication open helps children enjoy the benefits of online play while staying safe.

IMPERSONATION

One of the biggest dangers children face online is the threat of **impersonation**. When online friendships are formed that exclusively remain online, it becomes difficult to determine whether the person they're speaking to is genuine.

Children should be taught to watch out for signs that someone online may not be who they say they are – such as asking for personal information or giving incorrect details. As a parent, it's also a good idea to check in if your child starts talking about a 'new friend' they've met online.

APP SPOTLIGHT - STEAM

This week's app spotlight is **Steam**.

Steam is a popular online platform where users can

buy, download, and play games. While many games on Steam are aimed at older players, there are also child-friendly options available. Parents should be aware that Steam also includes social features, allowing users to add friends and chat.

- Steam requires users to be at least 13 years old to create an account.
- Not all games on Steam are suitable for children. Check the age rating and read reviews before allowing your child to download or play any game.
