December 2025

Thank you! 😊

Dear Parents / Carers,

Wow, what an amazingly successful term we have had! The children have worked really hard and have made lots of progress this term. A huge thank you for all of your support.

It was great to see the incredible turn out for our school 'Twinkly Nativity', the children performed phenomenally well last week and I'm sure you can't get the songs out of your head! The children are still enjoying doing a rendition at every given opportunity in school! 🌟💖

We are really proud of the resilience and progress demonstrated across all classes.

The children and staff are certainly ready for a well-deserved break! 🌟

All the best, stay safe!

Miss Fauzia Farooq and all the staff at Pentland.

Attendance and Extended Leave

Overall attendance this half-term is **92.17%**, well below our **96%** target. **29** children achieved 100% attendance this half term, a big well done to them! 🌟 This is a huge achievement, thank you for your ongoing support.

We understand that at times children are unwell and cannot attend school. However, if this becomes a regular pattern, the class teacher and Miss Farooq will meet with parents to support and actively encourage better attendance at school. Home visits will also be carried out if necessary.

Much of the school absence has been because of extended leave. **All trips abroad must be planned in the school holidays.** The school must be informed if any school days will be missed and a fine could be issued. Missing school does impact on children's overall learning and progress and can have a lasting negative impact into the future.

Parental support is crucial to ensure children attend school on time, every day and reach their full potential.

Parent Governor Elections

We are excited to announce that the Parent Governor elections will take place in the new year. This is a wonderful opportunity for parents to play an active role in shaping the future of our school. Please look out for the nomination forms, which will be sent out soon, and follow the instructions carefully to ensure your application is valid. Incomplete or incorrectly filled forms will not be considered, so please take time to review all details before submission. Your involvement can make a real difference—thank you for your support!

Late Collection Policy

We would like to take this opportunity to address any questions regarding our late collection policy and to clarify why we have fees in place. We understand that circumstances can sometimes make punctual collection difficult, but it is important that all families are aware of the reasons behind this policy and the impact late collection has on staff, pupils, and the wider school community.

- **Staff Overtime:** When pupils are not collected on time, our staff are required to remain at work beyond their contracted hours. The late collection fee helps us to cover the additional staffing costs incurred when this happens.
- **Safeguarding Concerns:** Repeated late collections are considered a safeguarding matter. It is essential that children are collected promptly to ensure their safety and well-being. Where late collection occurs on multiple occasions, the school may be required to take further action to protect the child's welfare. For this reason, we closely monitor all late collections.
- **Emotional Well-being of Pupils:** Being collected late can be distressing for children. Staff often need to spend extra time consoling pupils who are upset or anxious when they are left waiting. This not only impacts the child emotionally but also places additional demands on staff.

We appreciate your cooperation in ensuring that children are collected promptly at the end of the school day. By working together, we can safeguard our pupils, support their emotional well-being and respect the time of our dedicated staff.

Thank you for your ongoing support and cooperation in this matter.

PE Days for the next half term are as follows:
