

# Year 1 - Textiles - Simple Stitches - Term 2

## Key Vocabulary

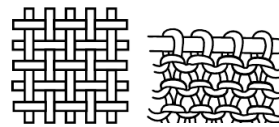

|                 |                                                          |
|-----------------|----------------------------------------------------------|
| <b>Fabric</b>   | A material made by weaving or knitting threads together. |
| <b>Weaving</b>  | Crossing threads over and under to make fabric.          |
| <b>Knitting</b> | Looping threads or yarn together to make fabric.         |
| <b>Thread</b>   | A thin strand used to make fabric or stitches.           |
| <b>Needle</b>   | A pointed tool used to pull thread through fabric.       |
| <b>Eye</b>      | The small hole in a needle that holds the thread.        |
| <b>Point</b>    | The sharp end of a needle.                               |
| <b>Stitch</b>   | Thread passed through fabric with a needle.              |
| <b>Even</b>     | The same size and spaced the same distance apart.        |

## Things made from fabric

Jumpers, bags, toys and curtains can use fabric.

## Fabric is made from threads

Fabric is made by weaving or knitting threads together.

## How to make stitches

1. Push the needle up.
2. Leave a space.
3. Push the needle down.

Even stitches in a straight line look neater.

## Parts of a needle and thread

## To know statements

|                                                        |  |
|--------------------------------------------------------|--|
| To explore how fabrics are made and used.              |  |
| To thread a needle and make stitches.                  |  |
| To sketch a design for a piece of bunting.             |  |
| To stitch a design for a piece of celebratory bunting. |  |
| To finish a design of stitches and evaluate.           |  |

## What can you remember from previous units?

What materials did you use when you made bookmarks?  
How did you decorate or join materials?

## Anything else you have learnt? What have you enjoyed?
