Homework

Please read with your child as often as possible. If we feel that your child can read their book satisfactorily they can change it once a week. Please sign your child's book every time you hear them read.

Spellings will continue to be handed out weekly. On the back of this newsletter are a few ideas of how your child can practise their spellings at home.

Homework will be handed out every Friday to be returned by the following Wednesday. Please ensure homework is returned on time so that it can be marked and new homework can be set.

Rewards

Children can earn 'Smileys' for good work, behaviour etc and these can result in badges and certificates being presented in Good Work assemblies.

Golden Time on a Friday is used to reward children who have behaved well during the week.

Every day a "Star of the Day" is chosen.

We are also collecting 'Pompoms' for individual certificates and prizes!
