

Reception Class Weekly Newsletter

Friday 27th June 2025

This week...

- ✓ We created our own super veggies! We drew our healthy heroes and gave them super names. We discussed what their super power was and how they would save Supertato!
- ✓ On Wednesday we found Supertato in a tangle! He had been tied up in a basket with padlocks on! We had to solve the clues and match the keys to the locks to free him. Luckily, he was OK but we needed to catch this mischievous pea... and we did!!!
- ✓ The glass and a piece of paper trap worked perfectly and it was time to teach our cheeky friend how to be good. We forgave him for his behaviour and he promised to make good choices from now on.
- ✓ In Drawing Club we met some more cheeky peas called Creepy and Blackeye who feature in an old cartoon called The Poddington Peas. They were cheating at a vegetable competition! We talked about cheating and how it is 'dishonest'. We discussed how it makes others feel and how it's ok to not be the winner.

Next week...

- We will begin our new topic on 'where will you go?' this will lead us into exploring holidays, transport and oceans.
- We will be discussing moving up with our class this week as they have their Year 1 visit on Thursday 3rd July. Please have a chat with your child about their visit, before and after. It will be lovely day meeting new staff and exploring a new classroom. Children come to EYFS as normal in the morning and go home from there as normal at the end of the day.

Jobs for the weekend!

- Share reading books - *please sign diaries to show home reads.*
 - Homework folder - *sentence building!*

Email photos of your home learning and weekend adventures to:

admin@cdatstpaulsprimary.co.uk
