

## Reception Class Weekly Newsletter

Friday 11<sup>th</sup> July 2025

### This week...

- ✓ Our Text this week was 'Mrs Armitage on wheels' by Quentin Blake. We designed a new mode of transport for Mrs Armitage after her crazy boat bike was broken. Our amazing roller skates, skateboards and motorbikes had sorts of additions to make them exciting and useful.
- ✓ We have also looked at boats as a way of travelling across the ocean to different countries.
- ✓ We did some science investigations to find out which materials float and which sink, we also discussed things that are manmade and natural.
- ✓ Some of us made boats, from paper, plastic tubs, boxes and cups. We tested them to see which were the best modes of transport and discussed why being waterproof is important.
- ✓ We have also looked at sea creatures, and shared the story of the 'Rainbow Fish'. This linked with our Heart smart work about being kind to others and sharing.
- ✓ We have also enjoyed playing pirates this week! We looked at some fantastic pirate ships from the past and some super villainous pirates. We acted out pirate stories and dressed up as pirates and sea monsters!

### Next week...

- We will continue exploring oceans and under the sea.
- We will look at sea creatures in particular sea turtles.
- On weds we have a visitor from the RNLi coming to talk to the children the amazing work they do saving lives at sea.
- Reading books will be collected in from Thursday next week, to restock our libraries ready for September.

### Jobs for the weekend!

- Share reading books - **please sign diaries to show home reads.**
- **Homework folder** - tricky word rainbows

Email photos of your home learning and weekend adventures to:

[admin@cdatstpaulsprimary.co.uk](mailto:admin@cdatstpaulsprimary.co.uk)
